 - f. The Purchaser acknowledges and agrees that in the event the dwelling unit being purchased herein is a semi-detached dwelling unit, the lot upon which such semi-detached dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot.

ARCHITECTURAL CONTROL AND SITING

The Purchaser(s) acknowledges that the model type indicated in this Agreement has been preliminarily sited and is subject to final siting approval by the Municipality, the Architectural Control Committee, the Control Architect or the Vendor's surveyors. In the event such final siting approval is not obtained from any of the foregoing, the Purchaser(s) shall be given the first opportunity to submit an offer for a model type that does meet final siting approval for this particular lot. In the event an Agreement for another model type is not consummated within five (5) days of notification to the Purchaser(s) of which model type does meet the final siting approval requirements, this Agreement shall be at an end, the Purchaser(s) shall be entitled to a refund of the deposit money, without interest, but in no event shall the Vendor or the Agent be liable for any damages or costs whatsoever.

CONSTRUCTION APPROVALS AND CONSTRUCTION

3. The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "Dwelling") of the type herein before indicated in accordance with the plans of the Vendor therefore and filed or to be filed with the Municipality in order to obtain a building permit and the specifications set out in Schedule "A" annexed hereto.
 - a. Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Dwelling will be constructed substantially in accordance with the plans and specifications to be filed with the Building Department of the Municipality in which the dwelling is located, and in accordance with the *Ontario Building Code* and the Purchaser shall have no claims against the Vendor for any higher or better standards of workmanship or materials than required in such plans and specifications and pursuant to the *Ontario Building Code*. The foregoing shall constitute complete and absolute acceptance by the Purchaser of all construction matters, and the quality and sufficiency thereof, including, without limitation, all mechanical, structural, and architectural matters. Subject to the TARION Warranty Corporation guidelines and bulletins, the Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal to or better, and the Vendor shall also have the right to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality and/or the Control Architect. The Purchaser acknowledges and agrees that it shall have absolutely no claim or cause of action against the Vendor for any such changes, variances or modifications, nor shall the Purchaser be entitled to any notice thereof. The Purchaser acknowledges and agrees that this paragraph may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title against the Vendor.
 - b. The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, corner lot fencing (including the location of such corner lot fencing), exterior colour schemes, or any other matter external to the Dwelling designed to enhance the aesthetic of the community as a whole, may be imposed by the Municipality and/or the Subdivider and/or the Control Architect. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "Amended Elevation"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Purchaser acknowledges and agrees that Amended Elevations can cause interior changes as well and the Purchaser hereby irrevocably agrees to accept such interior changes as caused by the Amended Elevation. The Vendor shall have the right, in its sole discretion, to construct the herein before described Dwelling either as shown on the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. The Purchaser hereby irrevocably accepts construction of a reverse mirror image Dwelling plan without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type herein before described. Further, in the event the Vendor determines, at its sole discretion, to construct the Dwelling at a grade level different than as depicted in the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, necessitating a step, landing or series of steps to the front door, side door, rear door, or any door from the garage to the interior of the Dwelling (notwithstanding that such step, landing or series of steps may encroach into the garage parking area and/or affect the interior floor area of the dwelling adjacent to such step, landing or series of steps), the Purchaser hereby irrevocably agrees to accept such change without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling type herein before described.
 - c. The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement or look-out basement and such is required, pursuant to final approved grading and engineering plans, and/or architectural control, the Purchaser shall accept a credit in the Purchase Price, or, pay the additional cost involved in constructing such walk-out basement or rear deck, as the case may be (such costs shall be absolutely determined by Statutory Declaration sworn on the part of the Vendor).
 - d. The Purchaser acknowledges that certain lots within the subdivision may require catch basins and/or infiltration trenches in the rear yard and associated leads and that hydro transformers, street light poles and hydrants will front onto certain lots (including the Property) within the Subdivision. The Purchaser agrees to accept the Property subject to any retaining walls, catch basins, fencing, landscaping, entrance features, infiltration trenches or other subdivision enhancement features required pursuant to the municipally approved plans.
 - e. In the event the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor completing all of its work or construction within the Subdivision, the Purchaser covenants and agrees to permit the Vendor and its agents and sub trades to enter upon the Property for the purposes of completing work on an adjoining property or other properties in the Subdivision and the Purchaser shall not interfere with any work or construction being so performed by the Vendor and its agents and

- sub trades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser.
- f. The Purchaser acknowledges that all electrical, and mechanical rough-in changes will not be permitted unless processed and approved by Vendor 90 days prior to excavation of the dwelling.
- g. The Purchaser covenants and agrees that he shall pay to the Vendor in advance for all extras, upgrades or changes ordered by the Purchaser at the time such order is made and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed for any reason whatsoever save and except for the default of the Vendor. The Vendor reserves the right, and the Purchaser acknowledges that the Vendor will charge credit card fees on any extras, upgrades and/or changes ordered by the Purchaser where the Purchaser selects to pay via credit card. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or it cannot complete the extras, upgrades or changes then there shall be refunded or credited to the Purchaser in the manner following, that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, at the Vendor's discretion, the Purchaser received credit on the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to above and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made, or credit being given, the Vendor shall be deemed to have been released from any and all obligation, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event no such amount was paid or quantified in Schedule "E", or the "Options and Upgrades Agreement", then no refund or credit shall be paid to the Purchaser and no further compensation shall be owed by the Vendor. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishings, or performs any work in or about the Dwelling which causes a delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing Date herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work. At the Vendor's sole and unfettered discretion and upon the Vendor's terms, the Vendor and the Purchaser may agree to an alternate payment arrangement for extras, upgrades or changes. If an alternate payment arrangement agreement is made, the Purchaser acknowledges and agrees that any unpaid deposit, or partial payment not made by the due date for such payment and or partial payment and/ or deposit for extras shall constitute a default by the Purchaser under this Agreement of Purchase and Sale and the Vendor may exercise any or all of its remedies set forth in this Agreement. Further in addition to the foregoing the purchaser hereby agrees to pay as an adjustment on closing the sum of **Two Hundred and Fifty (\$250.00) Dollars plus applicable taxes** as a late extra/décor payment administration fee for each extra/décor payment that is late.

The location of mechanical installations may not be as shown on the sales brochures and will be located in accordance with approved plans and/or good construction practice and may result in room size or garage size reduction commensurate with the mechanical components being installed. The Purchaser acknowledges being advised by the Vendor that the Vendor has experienced a high theft rate of air-conditioning units when they are installed prior to the Closing Date. Accordingly, the Purchaser acknowledges that if the Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with the Agreement, within seven (7) days after the Closing Date. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing Date. Notwithstanding the foregoing, in the event that the Purchaser requires the air-conditioning unit to be installed prior to the Closing date, the Purchaser shall make written request therefore, such request to be received not later than thirty (30) days prior to the Closing Date by way of separate written request addressed to the Vendor's solicitor. If any portion of any fence is not deemed to be a Permitted Encroachment (an "Unpermitted Encroachment") then the Purchaser shall complete the transaction herein either upon the Vendor's undertaking to take all reasonable lawful steps to remove the Unpermitted Encroachment; or, at the Vendor's sole option, upon an abatement in the Purchase Price, such abatement to be calculated by multiplying the Purchase Price by the ratio of the area of the Unpermitted Encroachment to the total area of the Property.

The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor

In the event the Subdivision Agreement is not registered as of the date of acceptance of this Agreement, and therefore the Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor herein, and if the Municipality requires the Purchaser to receive a copy of the Notices, then a copy of the Notices as revised as necessary, shall be emailed to the Purchaser's email address as shown on this Agreement or to the Purchaser's solicitor and such electronic closing be deemed to constitute appropriate notification. In the event that by the Closing Date the installation of the selected colours and upgraded materials or other work to be performed by the Vendor or its subtrade(s) has not been completed, and as a result thereof the Dwelling has not been completed, then the Purchaser shall, notwithstanding such incomplete work, complete the transaction on the Closing Date and shall pay the full amount required to be paid on closing in accordance with this Agreement.
 - d. In the event that the Purchaser shall not have made his selection within ten (10) days after notification by the Vendor or an extended date acceptable to the Vendor, then the Vendor shall have the option of choosing the colours and materials for and on behalf of the Purchaser and the Purchaser agrees to accept same.

If the vendor chooses to complete said upgrades, then the purchaser agrees to pay the costs for said upgrades as an adjustment to the purchase price on closing.**
 - h. The Purchaser agrees that if after having made the original colour selections the Purchaser does make a change erroneously or otherwise, he will be deemed responsible for all errors resulting from any double selections. - v) If the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the HST Rebate and in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the HST Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the HST Rebate as aforesaid) be fully entitled to pursue the procurement of the HST Rebate directly from the CRA. - vi) The Purchaser represents and warrants that the Purchaser qualifies for the HST Rebate and confirms and agrees that the Vendor is relying upon such representation and warranty to the Vendor's detriment. The Purchaser covenants and agrees that such representation and warranty shall be true and correct at Closing and shall not merge on Closing but shall continue thereafter. If the foregoing representation and warranty is not true and correct in all respects, then (in addition to the foregoing provisions of this paragraph 22(b), the Purchaser hereby indemnifies and saves harmless the Vendor or its designate from and against all costs, expenses, actions, suites, causes of action, proceedings, damages and liabilities, which the Vendor or its designate may sustain or incur, including without limiting the generality of the foregoing, any penalty, fine, interest, other charge, payment or expense whatsoever, which the Vendor or its designate may sustain suffer or incur.

In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Rebate Reduction") then the Purchaser shall pay to the Vendor on the Closing Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Rebate Reduction.

SCHEDULE W

A. Purchasers of all lots are advised and acknowledge, covenant and agree that:

- 1) The term “developer” refers to the third party who is developing the subject lands, and the term “vendor” refers to Mattamy Homes. The timing of landscaping and top works is the sole responsibility of the developer, not the vendor.
- 2) At the time of execution of this Agreement, the subdivision or development agreement(s) for the property has not been finalized. In the event that such agreement(s) contain requirements that certain provisions or notices be provided to purchasers in agreements of purchase and sale or otherwise that are not already provided for herein, the Vendor agrees to provide such provisions or notices to the Purchaser as soon as reasonably possible. Any such provisions or notices so provided to the Purchaser by the Vendor (by e-mail or other method of delivery as selected by the Vendor) shall automatically, and without further action required by either party hereto, form part of this Agreement. In addition, upon receipt of such notice or provisions, the Purchaser, if so requested by the Vendor, agrees to attend and execute such amendments to this Agreement as may be required incorporating such notices or provisions as part of this Agreement.
- 3) Purchasers are advised that the final mix of housing, elevations, lot width and housing types will only be confirmed upon registration of the subdivision plan, therefore, the purchaser should check with the builder to determine the final houses for construction in the immediate vicinity of the home that is being purchased.
- 4) The subdivision will be constructed in a planned sequence. Some areas will be occupied while other areas are under construction. As such, temporary inconveniences due to ongoing construction activities such as noise, dust, dirt, debris, and construction vehicle traffic may occur throughout the duration of the development of this community. The completion of some dwellings in this subdivision may be delayed until after the completion of exterior finishes on adjacent buildings.
- 5) Purchasers are advised that this community is subject to Architectural Control. Models available for sale have to be pre-approved by the Control Architect and certain models may not be available for some of the lots. Check with your builder for the particular situation for the model and lot you intend to purchase.
- 6) Purchasers are advised that each lot and block within the plan is subject to municipal property tax assessment and the owner of such lot or block shall, upon completion of assessment by the City of Pickering, receive a notice for payment of municipal property tax back to the time of registration of the lot or block.
- 7) Purchasers are advised that the Street and Lane names labelled on the attached schedules have been approved by the City of Pickering, but may be revised or renamed to the satisfaction of the City.
- 8) Purchasers are advised that the Vendor or, if applicable, the Declarant’s marketing material and site drawings and renderings (“Marketing Material”) which they may have reviewed prior to the execution of this Agreement remains conceptual and that final building plans are subject to the final review and approval of any applicable governmental authority and the Vendor or Declarant’s design consultants and engineers, and accordingly such Marketing Material does not form part of this Agreement or the Vendor’s obligations hereunder.
- 9) Purchasers are advised that sump pumps may be installed in each home and are installed in the most efficient location in accordance with engineering practice and cannot be relocated.
- 10) Purchasers are advised that prior to the placement of any structures in the side or rear yards, the Zoning by-law must be reviewed to determine compliance and that a Site Alteration Permit be obtained prior to proceeding to do any site work.
- 11) Purchasers are advised that despite the inclusion of noise attenuation features within the development area and within the individual building units, noise levels will continue to increase, occasionally interfering with some activities of the building’s occupants.
- 12) Door-to-door mail delivery will not be provided in this subdivision. Purchasers are further advised that Canada Post may designate a community mailbox location abutting or near their properties. The community mailboxes will typically be located within the boulevard area of the road allowance, located between the sidewalk and the property line.
- 13) Prior to the construction and acceptance of the community mailbox locations, temporary mailbox locations will be utilized within the community. The location of the temporary mailboxes may not be the same location as the permanent community mailboxes.

- 14) At the time of execution of this agreement, the final grading plan for the property has not been finalized. The developer reserves the right to revise the location of any storm drainage works, including catch basins, and rear lot catch basins, providing the final location is approved by the City of Pickering.
- 15) Purchasers are advised that a consulting professional engineer is required to certify that the final grading of the lot, and the building construction thereon conform with the final grading plan, and that this certification cannot be provided until the lot has been graded and sodded, which may not occur for up to 12 months after the building occupancy inspection is provided by the Planning and Development Department.
- 16) Purchasers are advised they shall not alter or interfere with the lot grading and drainage levels and patterns as approved by the City of Pickering, nor shall the purchaser alter, fill, fence, stop up or allow to become clogged or fall into a state of disrepair, any front, rear or side yard drainage depression or swale, catch basin, infiltration gallery or other drainage channel, facility or installation, as such alteration or other action as stated above may cause a failure of the drainage system in the area. Purchasers are advised that any unauthorized alteration of the established grading and drainage patterns by the homeowner may result in negative drainage impacts to adjoining lots and will be liable for any resulting damages and costs.
- 17) As some roof leaders from the dwelling units situated within the lands may not be connected to the storm sewers, the purchaser understands and agrees that there is an obligation and responsibility on the part of the purchaser to maintain the City of Pickering's requirements with respect to final grading of the lands in accordance with the City's lot grading policy and the grading plans approved by the City of Pickering for the lands herein. Purchasers also agree that rainwater roof leaders shall not be altered.
- 18) For the purpose of properly draining the lands, the developer may be required to install a catch basin and/or associated leads in the rear and/or side yards of the lot and provide an easement in favour of the City. Such easements will be in favour of the City and will include the City of Pickering standard easement terms applicable to the catch basin and/or associated lead. It is the responsibility of the Purchaser/Owner to maintain the said storm drainage works, including catch basins and leads, in an operational state of repair and free of all obstructions and to provide access to the subject lands to the developer or the City of Pickering as required in accordance with the easement required by the City of Pickering. The easement provides the City of Pickering with rights to access to maintain/repair the catch basin if necessary. Fences and/or sheds are not to be installed over the Rear Lot Catch Basin lid as it prevents maintenance. If a rear lot catch basin or rear lot catch basin lead and/or lid becomes damaged or needs to be removed due to fence and/or shed construction by a purchaser, the cost of repairs to the catch basin, or rear lot catch basin lead shall be the responsibility of the purchaser.
- 19) The vendor shall reserve the right, notwithstanding the completion of the sale of the Lot and/or Unit, to enter upon the said Lands for a period of two (2) years after the completion of the sale or until the assumption of the services, whichever is later, in order to carry out any lot grading work which, in the opinion of the City of Pickering, may be required.

- 21) Purchasers are advised that varying scales of telecommunication or hydro utility equipment may be located adjacent to the proposed development and may be visible from their dwelling.
- 22) Purchasers are advised that there may be above ground utilities, service boxes, hydrants, mailboxes, streetlights, hydro transformers, telecommunications, cable pedestals or other municipal services constructed adjacent to or upon boulevards in the vicinity of your dwelling.
- 23) Purchasers are advised that the power and other utility distribution system design for the subdivision has not been finally approved and, as a result, the final location of transformers and other utility boxes throughout the subdivision cannot be finalized at this time. The developer reserves the right to revise the location of any transformers or utility boxes as approved by the local utilities and the City of Pickering. The developer may be required to provide side/rear yard easements in favour of Elexicon Energy Inc.. The easement provides Elexicon Energy Inc. with rights to access to maintain/repair utilities and read meters as necessary. Fences and/or sheds or any other landscaping is not to be installed within the required easements. Any costs associated with the removal, damage or repair needs due to the installation of a fence/shed/landscaping shall be the responsibility of the purchaser
- 24) Purchasers are advised that grading of the subject or neighbouring properties may require the construction of swales, slopes, retaining walls, rear yard catch basins, fencing, or other services. Certain services are not assumed by the City of Pickering. Such services are more particularly described under the terms of the Subdivision Agreement. For more detailed

information please contact the City of Pickering

Spacing will be contingent upon tree species, tree habitat availability, and street furniture structures. This means not every lot will receive a tree. Purchasers are advised that the ability to accommodate the planting of a street tree within the public road allowance will also be influenced by housing form, development setbacks, utilities, driveway width and location
- 29) Any fee paid by the purchaser to the developer for the planting of trees on City boulevards in front of residential units does not obligate the City of Pickering nor guarantee that a tree will be planted on the boulevard in front or on the side of a particular residential dwelling. The Owner is advised to review the approved plan to determine which side of the street will accommodate on-street parking. Vehicles may be parked overnight on the street when a valid parking permit has been served for that vehicle. A permit does not entitle any homeowner to a particular space, nor does it entitle the vehicle to a space on the street, should all spaces be occupied by permit or otherwise.
- 33) Purchasers are advised the Developer shall sod the front, side and rear yards of each of the residential lots and blocks in the project except for paved, planted or treed areas within the six months immediately following the occupancy of the dwelling unit except, where the occupancy of the dwelling unit occurs in November or December of any year, the time limit for sodding may be extended to June 30 in the following year.

The Second Tentative Closing Date can be up to 120 days after the First Tentative Closing Date, and so could be as late as: the ____ day of _____, 20____.

The Vendor must set a **Firm Closing Date** by giving proper written notice at least 90 days before the Second Tentative Closing Date. The Firm Closing Date can be up to 120 days after the Second Tentative Closing Date, and so could be as late as: the ____ day of _____, 20____.

If the Vendor cannot close by the Firm Closing Date, then the Purchaser is entitled to delayed closing compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Closing Date.

The Vendor can set a Delayed Closing Date that is up to 365 days after the earlier of the Second Tentative Closing Date and the Firm Closing Date: This **Outside Closing Date** could be as late as: the ____ day of _____, 20____.

2. Notice Period for a Delay of Closing

Changing a Closing date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Closing twice by up to 120 days each time by setting a Second Tentative Closing Date and then a Firm Closing Date in accordance with section 1 of the Addendum but no later than the Outside Closing Date.

Notice of a delay beyond the First Tentative Closing Date must be given no later than: the ____ day of _____, 20____.
(i.e., at least **90 days** before the First Tentative Closing Date), or else the First Tentative Closing Date automatically becomes the Firm Closing Date.

Notice of a second delay in Closing must be given no later than: the ____ day of _____, 20____.
(i.e., at least **90 days** before the Second Tentative Closing Date), or else the Second Tentative Closing Date becomes the Firm Closing Date.

3. Purchaser's Termination Period

If the purchase of the home is not completed by the Outside Closing Date, then the Purchaser can terminate the transaction during a period of **30 days** thereafter (the "**Purchaser's Termination Period**"), which period, unless extended by mutual agreement, will end on: the ____ day of _____, 20____.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed closing compensation and to a full refund of all monies paid plus interest (see sections 7, 10 and 11 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

Acknowledged this ____ day of _____, 20____.

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Closing Dates and the Firm Closing Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date – Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the “Firm Closing Date” for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

Freehold Form (Tentative Closing Date)

- (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. ☐ Yes ☐ No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Freehold Form
(Tentative Closing Date)

Condition #1 (if applicable)

Description of the Early Termination Condition:

Schedule "X" (10) Within fourteen (14) days after the expiry of the condition contained in Schedule "M" of this Agreement, or if no Schedule "M" is attached to this Agreement, then within 14 days of final acceptance, the Purchaser shall deliver to the Vendor:

- a. a mortgage approval and/or mortgage approval from a bank, trust company or other financial institution for at least 75% of the Purchase Price; or
- b. evidence from a bank, trust company or other financial institution, indicating that the Purchaser has sufficient funds and is able to close this transaction without registering a mortgage against the Real Property. If the Vendor determines in its sole unfettered discretion that the evidence provided to it pursuant to this Paragraph 7(b) is insufficient or not acceptable for the purpose of Closing, the purchaser shall deliver a mortgage approval for at least 75% of the Purchase Price to the Vendor within fourteen (14) days of request.

The Purchaser acknowledges and agrees that the failure of the Purchaser to deliver the documentation described at Paragraph 10, which must be satisfactory to the Vendor, within the time periods described herein, shall be considered a material default of this Agreement by the Purchaser. This condition is inserted for the benefit of the Vendor and may be waived by the Vendor at its sole discretion. If the Vendor does not provide notice to the Purchaser in writing within the time periods specified above that it is not satisfied with the Purchaser's financing documentation then this condition shall be deemed to be waived by the Vendor.

The Approving Authority (as that term is defined in Schedule A) is N/A – Condition for the benefit of the Vendor.
The Vendor shall approve.

The date by which Condition #1 is to be satisfied is as per the time period set out in the Clause reproduced above.

Condition #2 (if applicable)

Description of the Early Termination Condition:

Schedule "X" (2) The Purchaser(s) acknowledges that the model type indicated in this Agreement has been preliminarily sited and is subject to final siting approval by the Municipality, the Architectural Control Committee, the Control Architect or the Vendor's surveyors. In the event such final siting approval is not obtained from any of the foregoing, the Purchaser(s) shall be given the first opportunity to submit an offer for a model type that does meet final siting approval for this particular lot. In the event an Agreement for another model type is not consummated within five (5) days of notification to the Purchaser(s) of which model type does meet the final siting approval requirements, this Agreement shall be at an end, the Purchaser(s) shall be entitled to a refund of the deposit money, without interest, but in no event shall the Vendor or the Agent be liable for any damages or costs whatsoever.

The Approving Authority (as that term is defined in Schedule A) is: Municipality, the Architectural Control Committee, the Control Architect or the Vendor's surveyors.

The date by which **Condition #2** is to be satisfied is 90 days before the First Tentative Closing Date.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:

Freehold Form
(Tentative Closing Date)

- (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that:
(A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgment signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

Freehold Form (Tentative Closing Date)

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

The Vendor and Purchaser agree that they shall not include any provision in the Purchase Agreement or any amendment to the Purchase Agreement or any other document (or indirectly do so through replacement of the Purchase Agreement) that derogates from, conflicts with or is inconsistent with the provisions of this Addendum, except where this Addendum expressly permits the parties to agree or consent to an alternative arrangement. If a postal stoppage or interruption occurs, notices shall not be sent by registered mail, and any notice sent by registered mail within 5 Business Days prior to the commencement of the postal stoppage or interruption must be re-sent by another means in order to be effective. For purposes of this section 14, Business Day includes Remembrance Day, if it falls on a day other than Saturday or Sunday, and Easter Monday.
- (c) If either party wishes to receive written notice under this Addendum at an address/contact number other than those identified on page 2 of this Addendum, then the party shall send written notice of the change of address, fax number, or email address to the other party in accordance with paragraph (b) above.
- (d) Time periods within which or following which any act is to be done shall be calculated by excluding the day of delivery or transmission and including the day on which the period ends.
- (e) Time periods shall be calculated using calendar days including Business Days but subject to paragraphs (f), (g) and (h) below.
- (f) Where the time for making a claim under this Addendum expires on a day that is not a Business Day, the claim may be made on the next Business Day.
- (g) Prior notice periods that begin on a day that is not a Business Day shall begin on the next earlier Business Day, except that notices may be sent and/or received on Remembrance Day, if it falls on a day other than Saturday or Sunday, or Easter Monday.

- (b) The parties agree that the arbitrator shall have the power and discretion on motion by the Vendor or Purchaser or any other interested party, or of the arbitrator's own motion, to consolidate multiple arbitration proceedings on the basis that they raise one or more common issues of fact or law that can more efficiently be addressed in a single proceeding. The arbitrator has the power and discretion to prescribe whatever procedures are useful or necessary to adjudicate the common issues in the consolidated proceedings in the most just and expeditious manner possible. Warranty Information for New Freehold Homes

This information sheet provides a basic overview of the warranties and protections that come with your new home. This warranty is provided to you by your builder and backed by Tarion. For more detailed Information visit tarion.com and log into our online learning hub at www.tarion.com/learninghub

The Pre-Delivery Inspection (PDI)

Before you take possession of your new home, your builder is required to conduct a pre-delivery inspection (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your home, such as the ventilation, plumbing, and heating systems. It is also important because it gives you an opportunity to note items in your home that are damaged, missing, incomplete, or not working properly before you take possession of your home. This record is also significant as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by the use of the home.

The PDI is only one piece of evidence relating to damaged or incomplete Items, and you should note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking possession if they were missed on your PDI. If the damaged items are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades. There is more information about the PDI here: www.tarion.com/learninghub

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your legal right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Closing Coverage

Your builder guarantees that your home will be ready for you to move in by a date specified in the Agreement of Purchase and Sale or a date that has been properly extended (if for certain reasons the original closing date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$300,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario’s Building Code
- Protects against the unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against violations of Ontario’s Building Code that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty - not all deficiencies are covered. And the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via cpg.tarion.com.

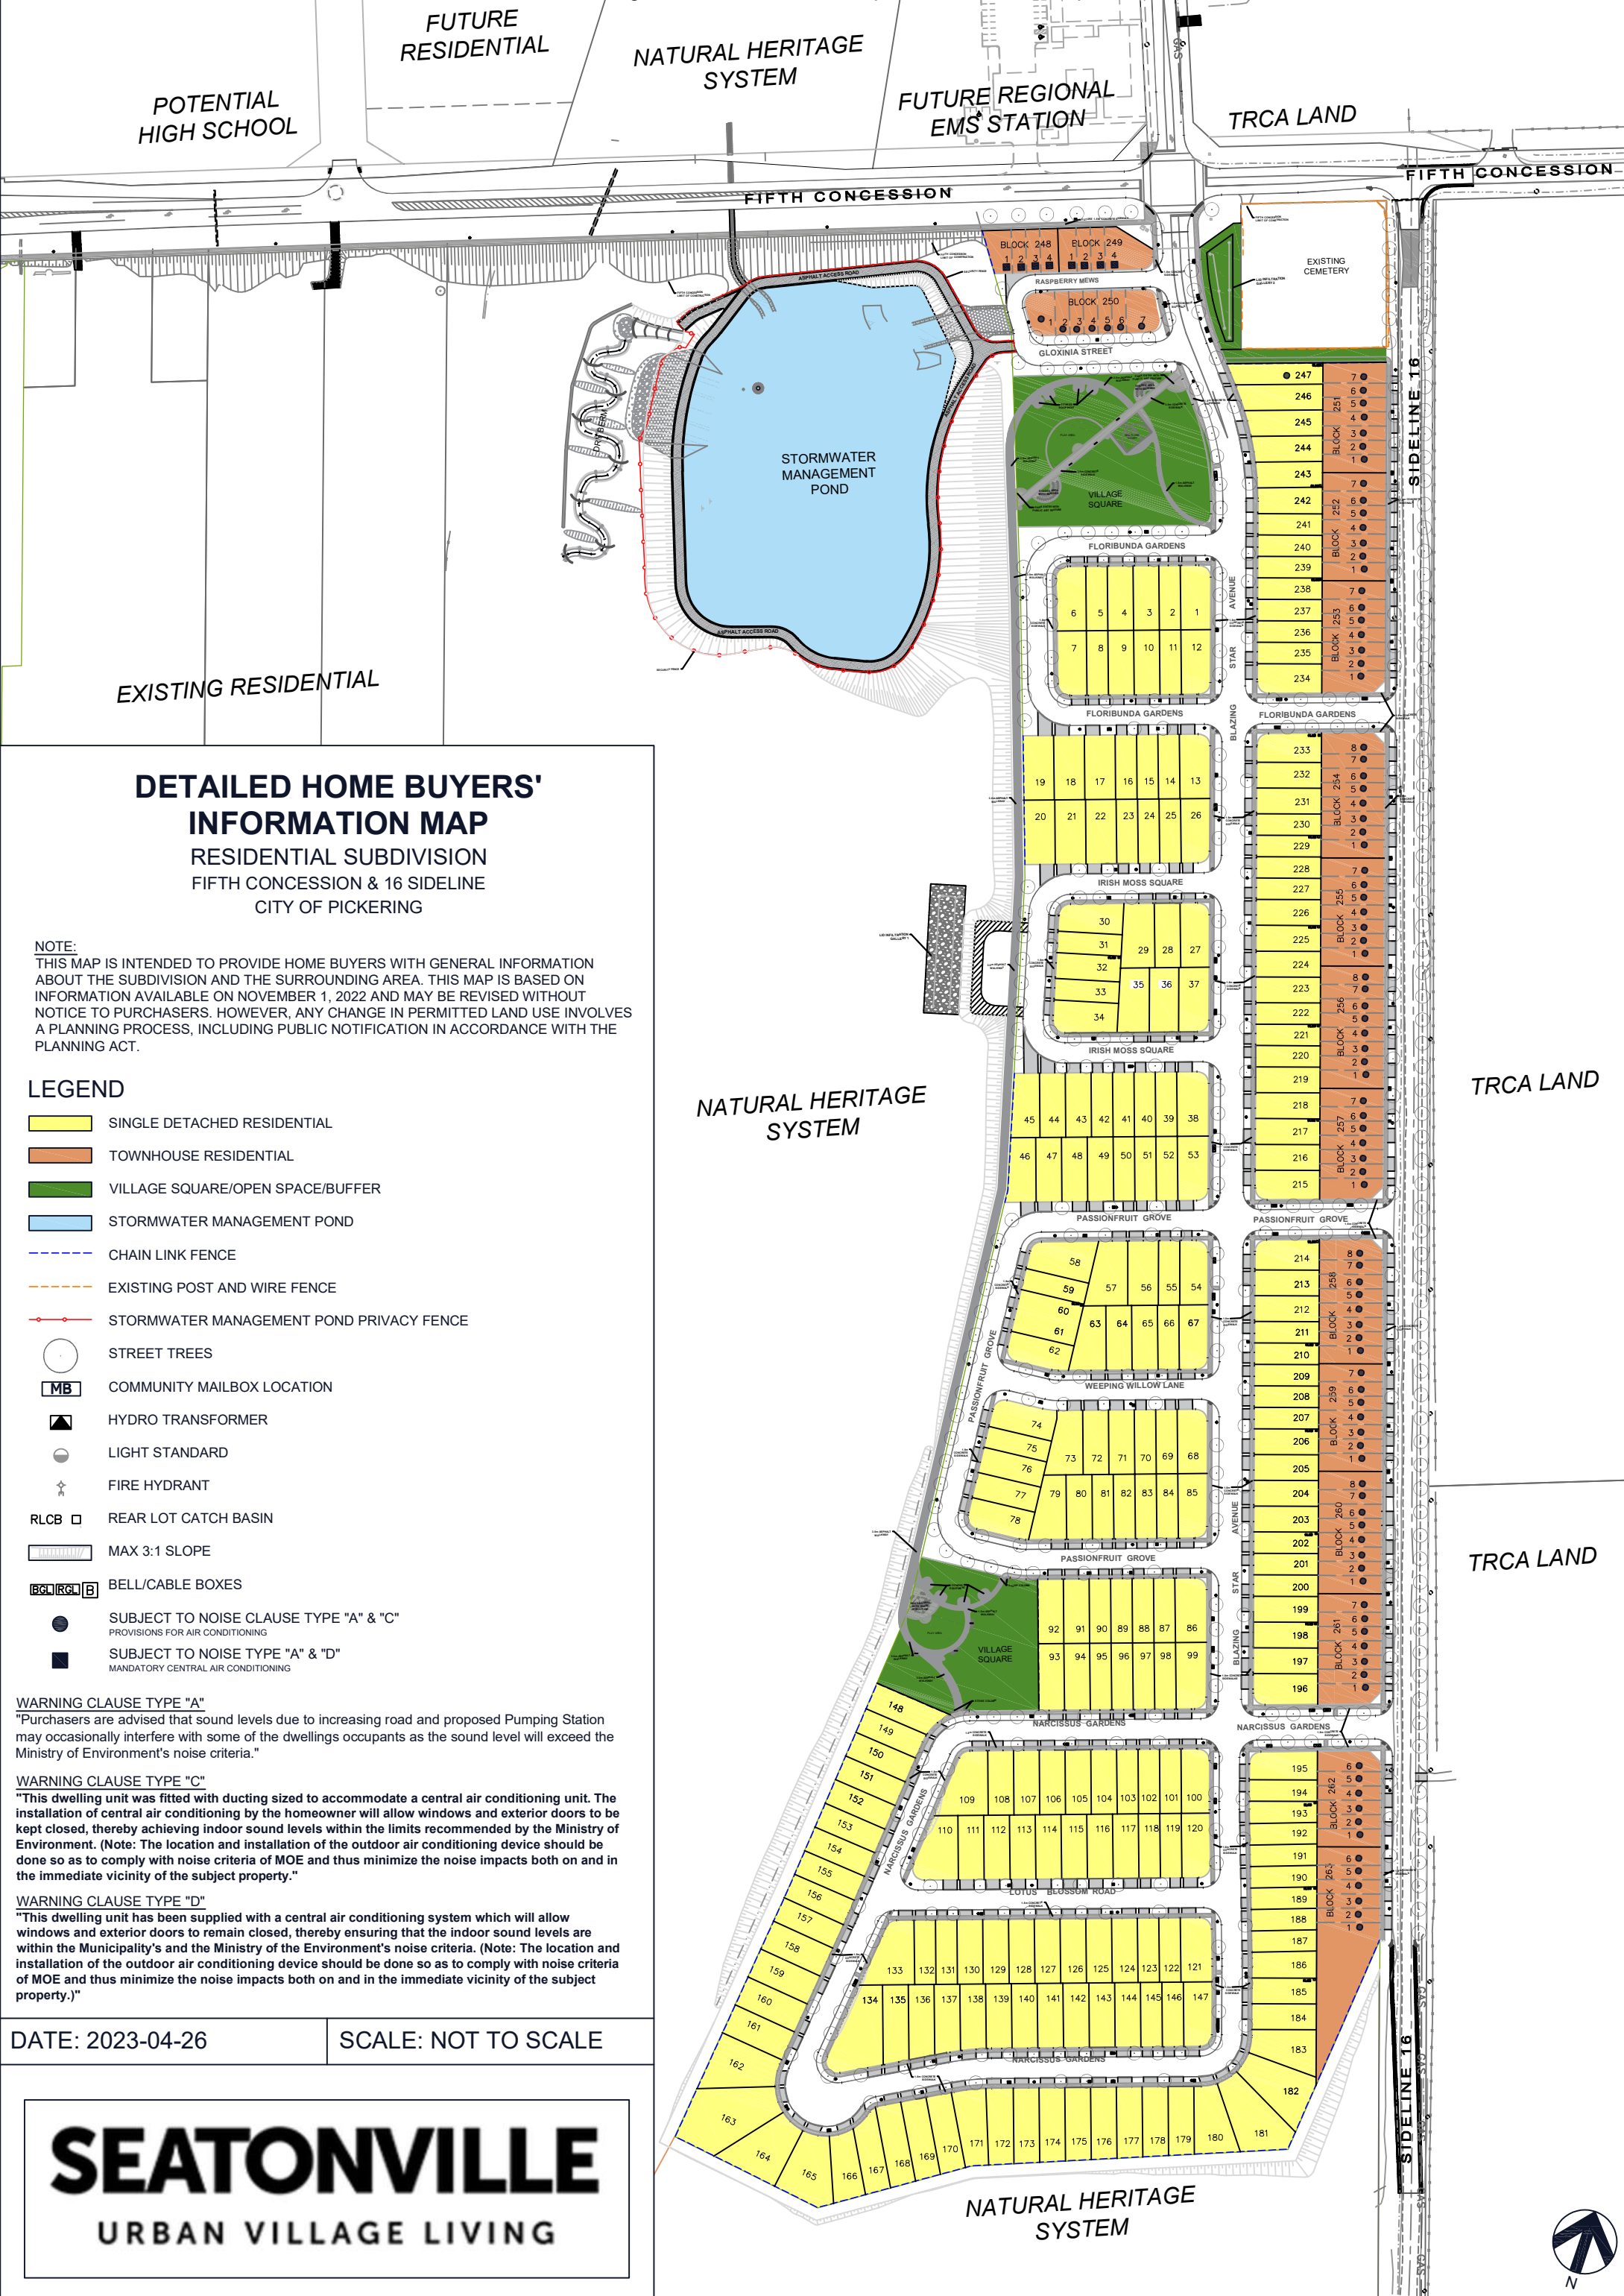

Important Next Steps

SEATONVILLE
URBAN VILLAGE LIVING

SEATON COMMUNITY

Protecting and Living With Our Shared Natural Environment

A Homeowner’s Guide

Connecting with Nature

Seaton is planned and developed as a sustainable urban community that is well integrated into a thriving existing agricultural environment and an extensive, flourishing Natural Heritage System.

As a resident of Seaton, you live in a unique environment that will provide many desirable community amenity features and recreational opportunities within convenient walking and cycling distance.

At the heart of Seaton are abundant natural areas, waterways and corridors that are vital to the sustainability of native plants and wildlife within an increasingly urbanized setting. It is the relationship you have with these natural areas that will determine the community's success as it grows and matures.

This guideline provides you with information on the natural areas found within Seaton and what you can do to nurture this beautiful natural environment through your day-to-day activities.

The Natural Environment

Seaton's Natural Heritage System (NHS) is one of the largest and most ambitious habitat naturalization initiatives undertaken in the Greater Toronto Area for an emerging urban community. Located in Central Pickering and within the Duffin's Creek Watershed, the NHS extends from Pickering into Markham to the north and Toronto to the south, where it provides vital ecological links between Lake Ontario and the Oak Ridges Moraine.

From an agricultural standpoint, Seaton is also located adjacent to the Duffin's-Rouge Agricultural Preserve, which is situated between the Rouge River and West Duffin's Creek.

Natural areas, including wetlands and woodlands, and their associated buffers, as well as important cultural and archaeological heritage resources, have been protected, restored and enhanced to ensure an ecologically diverse, healthy and sustainable environment in a residential setting.

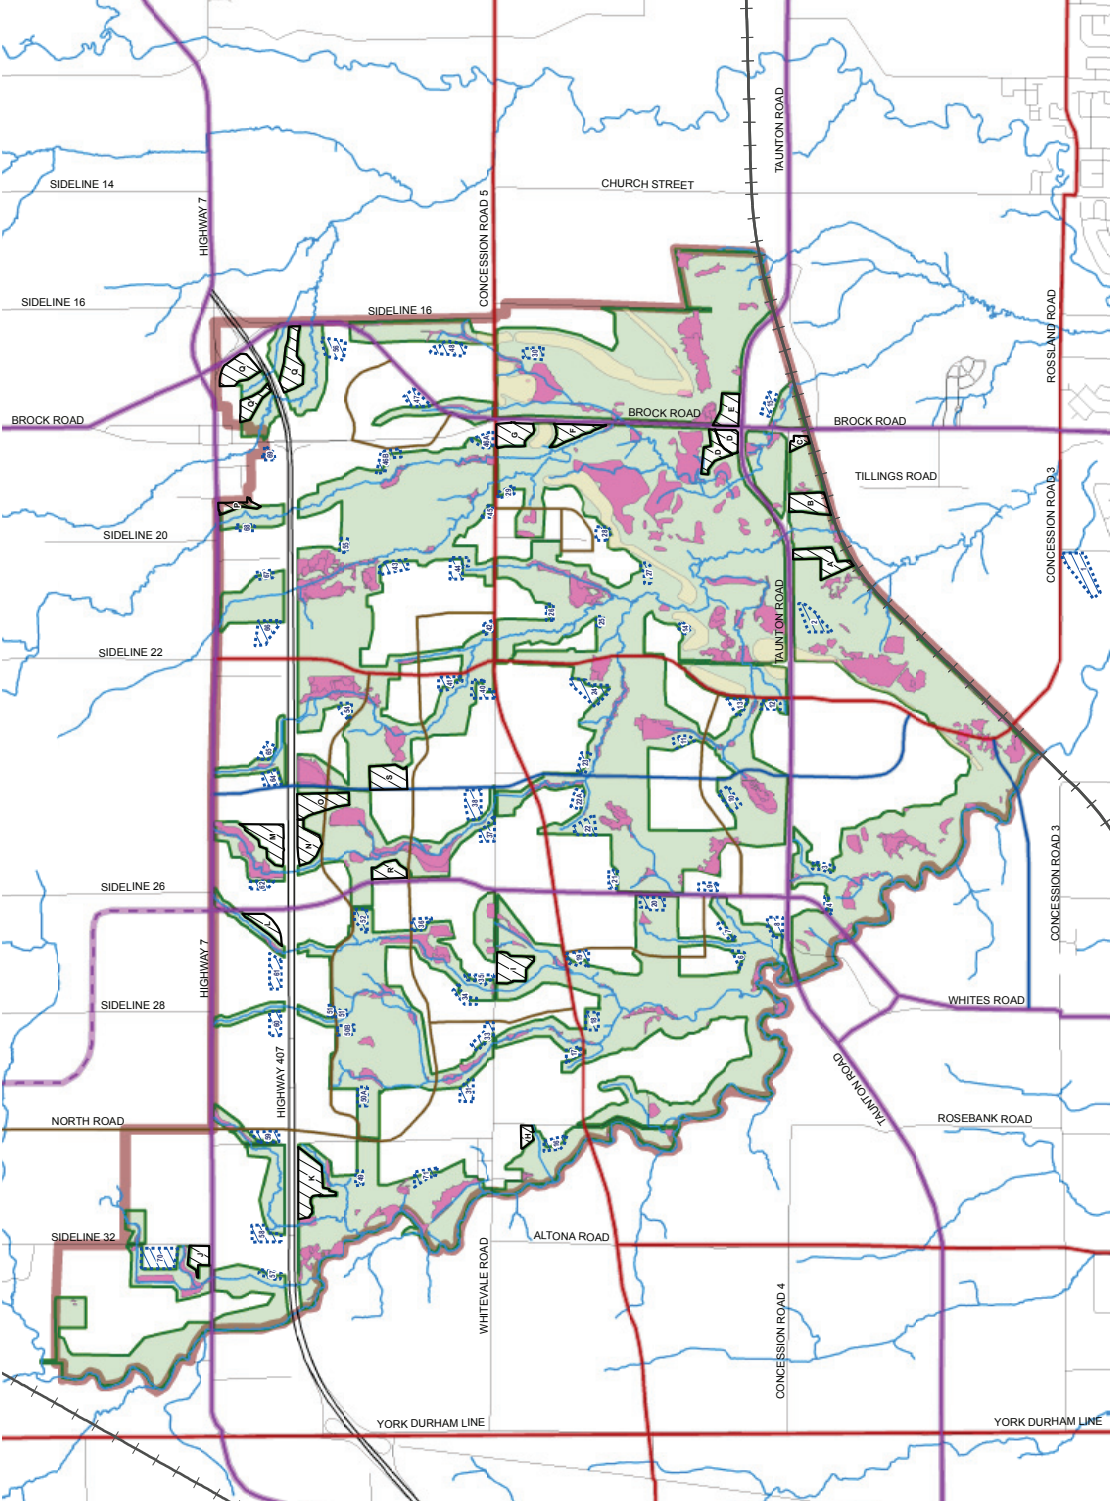

This system will take time to mature. As it does, the **Province of Ontario**, in consultation with the **City of Pickering** and **Toronto and Region Conservation Authority (TRCA)**, will help protect and manage these natural areas. As a resident, **you** have a similarly important role to play.

Maintaining the NHS

The natural processes and regeneration of the Natural Heritage System (NHS) will be supported by:

- Planting no-maintenance vegetation buffers between natural areas and private properties, using native trees, shrubs and groundcovers.
- Not mowing, pruning or spraying natural areas for weeds and insects.
- Allowing for annual and/or periodic flooding of the stream corridors and woodlands to maintain natural hydrology levels.
- Allowing for the natural loss of vegetation and regrowth of young trees and shrubs.
- Managing the urban tree canopy for losses and impacts related to invasive species like Norway Maple and Buckthorn, as well as the Emerald Ash Borer.

Conceptual plan showing the extent of the natural features within the Seaton community area, including NHS, wetlands, watercourses, stormwater management facilities and drainage areas (source: Sernas Associates).

What You Can Do

As a homeowner, you can help nurture these natural areas simply by being aware of your actions and following some simple measures.

ENCROACHMENT	POTENTIAL ADVERSE EFFECTS	ALTERNATIVE ACTIONS
Dumping yard waste	Can introduce invasive and non-native plant species e.g. periwinkle & goutweed; creates a fire hazard and smothers natural vegetation.	Participate in municipal yard waste pick-up programs; leave grass clippings on the lawn, or compost for excellent fertilizer.
Mowing, pruning or removing vegetation	Disturbs natural vegetation & wildlife habitat.	Call the Province of Ontario if you are concerned about potentially hazardous vegetation.
Planting vegetation	Disturbs natural vegetation; can introduce invasive non-native species.	Participate in organized tree planting & community gardening programs.
Spraying pesticides or herbicides	Kills natural vegetation & insects; exposes wildlife and humans to hazardous chemicals.	Call the Province of Ontario if you have questions.
Dumping garbage	Disturbs natural vegetation & wildlife habitat; exp-	Dispose of waste responsibly; hire a company to collect

Landscaping your property...

There is a lot you can do on your property that will protect the environmental and recreational value of the natural area that you live next to. A more naturalized approach to the design of your yard will help achieve an attractive setting that attracts birds, butterflies and other wildlife, while improving water and air quality. Where possible, use native trees, shrubs and perennial flowers.

Select plants that will:

- Provide food for birds, animals and butterflies (e.g. berries, pollen).
- Offer protection, shade, nesting areas or homes for wildlife.
- Require little or no maintenance or watering.
- Not invade or negatively impact neighbouring yards and adjoining natural areas.

For lists of invasive plant species to avoid, visit the **Durham Region / TRCA** websites at the end of this guide.

Improving water quality...

As a homeowner, how you use household water will impact the quality of water that feeds and supports nearby streams, wetlands, woodlands and wildlife habitat. Natural areas are dependent on suitable water quality and quantity in order to thrive.

- As an alternative to mowed lawns, consider planting gardens with groundcovers that require minimal irrigation and increases the ability of rainfall to infiltrate into the ground, resulting in less runoff.
- Sweep leaves, dirt and garbage away from street drains so they won't clog the storm sewers or flow into connecting streams and ponds.
- Do not dump household cleaners, paints or other chemicals down the sink, toilet or storm sewer. They should be disposed of at a household hazardous waste depot. Refer to Durham Region Waste Disposal information (www.durham.ca/works.asp).
- Maintaining your swimming pool uses chemicals that can kill plants, fish and other small life forms. Direct pool overflow to gravel areas, lawns or swales to allow vegetation or soils to filter out the chemicals before the runoff reaches any rivers, streams or underground water supply.
- Consider using a permeable surface material like interlocking brick for your driveway and patios. These will allow water to soak into the ground and will reduce the amount of runoff to storm sewers.
- Install rain barrels to collect rainwater that can be used for watering the garden and reduce runoff.

As an alternative to mowed lawns, plant gardens and consider groundcovers and wildflowers that require minimal irrigation.

Living with wildlife...

Pickering is traversed by major stream and valley systems that provide significant natural habitat and corridors for plants and wildlife. Encounters with wildlife can be positive experiences that contribute to a pleasurable living environment. However, we all need to manage issues that could cause problems with certain wildlife species:

- Store garbage in animal-proof containers within an enclosed area on your property (e.g. shed or garage).
- While mosquitoes are a great source of food for many species of birds, they can be a nuisance during certain periods of the summer. Consider installing screened outdoor seating areas and/or use bug repellent when enjoying time outdoors.
- Do not approach or handle wild animals. They may appear docile under normal conditions, but may become aggressive when approached or handled.
- Do not 'rescue' young animals. Most often, wildlife babies are not lost or abandoned and will be retrieved by their parents.
- Avoid feeding any wild animals. Feeding birds in the winter is a common practise and can be more effective with squirrel-proof feeders.
- Ask your garden centre for tips on preventing animals from eating or destroying your garden.
- Leash household pets when outdoors.

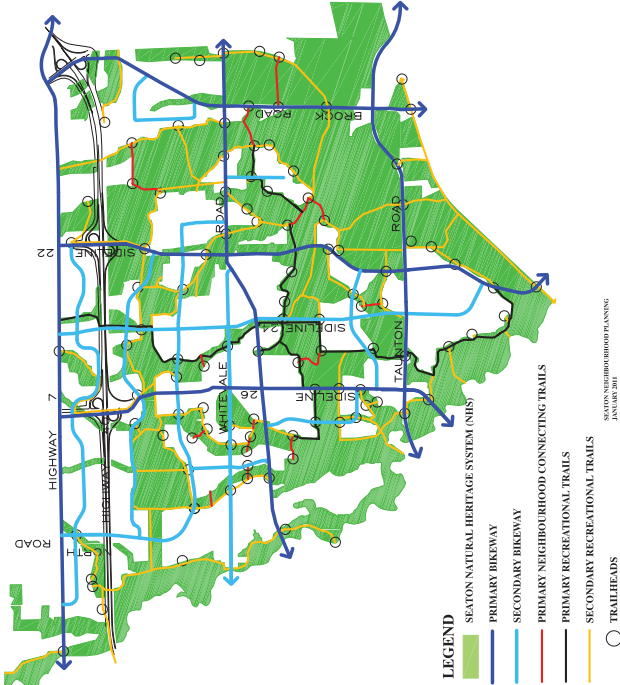

When using community trails...

Seaton's Natural Heritage System will sensitively integrate trail and cycling connections throughout the community that will link neighbourhoods, community facilities, amenities and open spaces on a local level, and considers connections to Regional trail and cycling networks outside the Seaton area.

Providing residents with safe, accessible and convenient pedestrian and cycling linkages, as well as recreational pathways within a natural setting, is fundamental to achieving the vision for Seaton as an active, walkable and healthy community.

When enjoying Seaton's network of multi-use trails, particularly those integrated with natural areas, please:

- Adhere to all City of Pickering and TRCA posted signage.
- Let natural areas grow undisturbed. Leave groundcover, dead trees or fallen branches in the forest as they provide habitat for assorted creatures and important nutrients to the soil.
- Follow designated trails only and avoid creating additional path connections.
- It is important that dogs be leashed when outside a residential yard and kept on the designated trail system.
- Always 'stoop and scoop' and dispose of pet waste properly.

Welcome to the Neighbourhood

Seaton is a unique residential community with an extensive Natural Heritage System that has been planned, designed and built around the protection and enhancement of the natural features that were present here before the development began.

The health and sustainability of the natural systems and individual features will largely depend on the relationship you, as a homeowner, have with the neighbourhood environment. The conservation of these woodlands, wetlands, watercourses and wildlife and ensuring that they remain healthy and thriving are key goals of the **Province of Ontario**, in partnership with the **Toronto and Region Conservation Authority**, **City of Pickering** and the **Seaton development team**.

Properly managing the natural and cultural resources within the Natural Heritage System is fundamental to realizing the vision of Seaton as a sustainable community. By adhering to these guidelines and environmental principles on a day to day basis, you will help nurture these natural areas, beautify your neighbourhood and bring value to your home and experience as a resident of the Seaton Community.
