In addition to and notwithstanding anything herein, the following alterations and adjustments may be made by the Vendor to the lot and model type selected by the Purchaser for any reason, and shall be deemed for all purposes to be minor or adjustable, and the Purchaser shall accept the dwelling constructed on the Property with any or all of the following changes without compensation: (a) a change in the front elevation of the Property that results in an increase or decrease in the number of steps to the front door

and any change to the grading which affects or alters the steps and entry to the dwelling from the front door to the lot line of the Property; (b) the deletion or addition or relocation of any and all entry doors to the garage; (c) the relocation or the raising or lowering of the elevation of any other entry doors into the dwelling or the elevation of the laundry area; (d) the addition or deletion of steps into any and all of the rear yard, the side yard and the garage; (e) the installation of a threshold dividing rooms or living areas required by differences in surface elevations or floor materials; (f) the substitution of a door for a patio door, or a patio door for a door, (g) the substitution of a door or patio door for a window, or a window for a door or patio door; (h) the construction of the dwelling reversed to the layout shown on the model floor plans; (i) any other substitution by the Vendor permitted under this Agreement; or changes in the location in the basement of the furnace, the water tank, or other services; (k) a reduction in the area of the dwelling within the tolerances permitted by the Tarion requirements; (l) any changes imposed by the Municipality or the architectural control architect, either before or after approval of the plans by either or both; (m) any other change that does not reduce the market value of the property as of the Closing Date; and/or (n) any other change that the Vendor's architect and/or technologist in his unfettered discretion considers minor, and the statutory declaration of the architect and/or technologist or his employee in charge of the Project shall be deemed to be conclusive and binding on the Purchaser. Any changes to the aforementioned by the Purchaser shall result in Purchaser reimbursing the Vendor for any costs resulting from the aforementioned Purchaser's changes and any obligation imposed upon the Vendor by any authority with jurisdiction to restore such architecturally controlled and approved colours and/or finishes.
- (f) The Purchaser acknowledges and agrees that in the event the Dwelling being purchased herein is a townhouse dwelling unit, the lot or block upon which such dwelling unit is constructed will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of such lot or block without any abatement of the Purchase Price or claim for compensation whatsoever.

Purchasers who do not receive/benefit from any esthetic enhancements such as a municipal tree or privacy fencing are not entitled to any refund/abatement of any sums payable to the Vendor hereunder. In the event this Agreement, any schedule hereto or other matter obligates the Vendor to install or provide any of the features set out herein, such matters will be provided and installed at the times determined by the Vendor and shall not comprise outstanding deficiencies or matters with respect to the completion of the Dwelling, and the Purchaser specifically acknowledges, covenants and agrees that any such features shall be installed at the times determined by the Vendor in its sole, absolute, subjective and unfettered discretion.

- (a) The Vendor will construct (if not already constructed) and complete upon the Property a dwelling (the "**Dwelling**") of the type hereinbefore indicated in accordance with the plans of the Vendor therefore and filed or to be filed with the Municipality in order to obtain a building permit and the specifications set out the "House Sketch" annexed hereto. The Dwelling shall be deemed to be completed for the purposes of Closing when the requirements of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale have been met and the Purchaser agrees in such case to close this transaction, without holdback of any part of the Purchase Price, on the Vendor's undertaking given pursuant to section headed "COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION" hereof to complete the Dwelling, and the Purchaser hereby agrees to accept the Vendor's covenant of indemnity regarding lien claims which are the responsibility of the Vendor, its trades and/or suppliers, in full satisfaction of the Purchaser's rights under the Construction Act, and will not claim any lien holdback on Closing. If by reason of "Unavoidable Delay" as defined in or as otherwise permitted by the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale the Vendor is required to extend the Closing, the Vendor shall be entitled to extend the Closing provided the Vendor complies with the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale in respect of such extensions. The Dwelling

shall be deemed to be completed when all interior work has been substantially completed as determined by the Vendor and provided that the provisions of paragraph 9 of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale attached hereto have been complied with. The Purchaser agrees to complete this transaction notwithstanding any claims submitted to the Vendor and/or Tarion or otherwise in respect of apparent deficiencies or incomplete work.

- (b) Acceptance of construction, siting and grading by the Municipality shall conclusively constitute acceptance by the Purchaser. The Vendor shall have the right to substitute materials for those designated in the plans and/or specifications provided the quality is equal or better, and also to make minor changes in plans, siting and specifications, provided there is no objection from the Municipality.
- (c) The Purchaser acknowledges and agrees that architectural control of external elevations, driveway construction, boulevard tree planting, landscaping, acoustical barriers, corner lot fencing (including the location of such acoustical barriers and corner lot fencing), exterior colour schemes, corner lot and rear lot treatments, or any other matter external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the Subdivider. In the event the Vendor is required, in compliance with such architectural control requirements, to construct an external elevation for this Dwelling other than as specified in this Agreement, and said external elevation can cause interior layout changes, or amend the driveway construction, boulevard tree planting or landscaping plan for this Dwelling (all of which is hereinafter referred to as the "**Amended Elevation**"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling herein including the required Amended Elevation, and the Purchaser hereby irrevocably agrees to accept such Amended Elevation in lieu of the elevation specified in this Agreement. The Vendor shall have the right, in its sole, absolute, subjective and unfettered discretion, to construct the hereinbefore described Dwelling either as shown on the sales brochures, renderings and other plans and specifications approved by the Municipality or any other authority having jurisdiction over same, or, to construct such Dwelling on a reverse mirror image plan, including reversal of garage siting and reversal of interior floor plan layout. Construction of a reverse mirror image Dwelling plan is hereby irrevocably accepted by the Purchaser without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligations as to construction of the Dwelling type hereinbefore described. Further, in the event the Vendor constructs the Dwelling at a grade level different than as depicted in the plans or drawings attached hereto, sales brochures, renderings or any other plans and specifications whether or not approved by the Municipality or any other authority having jurisdiction over same, necessitating a step, landing or series of steps to the front door, side door, rear door, any door from any garage that is connected to the Dwelling and leading to the interior of the Dwelling (notwithstanding that such step, landing or series of steps may encroach into the garage parking area and/or affect the interior floor area of the Dwelling adjacent to such step, landing or series of steps), or to relocate and/or remove any side door, rear door or door from the garage that is connected to the Dwelling and leading to the interior of the Dwelling, the Purchaser hereby irrevocably agrees to accept such changes without any right of abatement of Purchase Price and in full satisfaction of the Vendor's obligation as to construction of the Dwelling type hereinbefore described.
- (d) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement, look-out or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement, look-out or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement, look-out or rear deck and such is required, pursuant to final approved grading and engineering plans, the Purchaser shall accept a credit in the Purchase Price (such credit to be absolutely determined by the Vendor in its sole and unfettered discretion), or, pay the additional cost involved in constructing such walk-out basement, look-out or rear deck, as the case may be (such costs shall be absolutely determined by the Vendor in its sole and unfettered discretion).
- (e) The Purchaser acknowledges that certain lots within the Project may, at the Vendor's sole, absolute, subjective and unfettered discretion, contain catch basins and associated leads, swales, drainage systems, weeping pipe/sump pump systems, retaining walls, fencing, landscaping, feature walls or community features or other features, infrastructure or services, and the Purchaser covenants and agrees that in the event the Property contains any of the foregoing items, the Purchaser shall maintain all such items in proper working condition after Closing. grade equipment and any safety equipment relating to same such as concrete bollards, may front onto, flank or be visible from the Property or be located within certain lots (including the Property) within the Project. The Purchaser agrees to accept the Property subject to any of the foregoing and the Purchaser shall not be entitled to any abatement or reduction in the Purchase Price whatsoever as a consequence of the foregoing nor shall the Purchaser have any claim or cause of action whatsoever against the Vendor or its sales representatives (whether based or founded in contract, tort or in equity) with regards to/pertaining to/arising from the foregoing.

- (f) In the event the Purchaser completes this transaction and occupies the Dwelling at a time prior to the Vendor completing all of its work or construction within the Project, the Purchaser covenants and agrees to permit the Vendor and its agents and subtrades to enter upon the Property for the purposes of completing work on the Property, an adjoining property or other properties in the Project and the Purchaser shall not interfere with any work or construction being so performed by the Vendor and its agents and subtrades. The Purchaser agrees that this covenant may be pleaded by the Vendor as an estoppel to any action or opposition by the Purchaser.
- (g) The Purchaser covenants and agrees that the Purchaser shall pay to the Vendor for all extras, upgrades or changes ordered by the Purchaser in accordance with the terms of any documents/agreements pertaining to the purchase of said extras, upgrades or changes and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of any default hereunder of the Purchaser. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole, absolute, subjective and unfettered discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes then there shall be refunded or credited to the Purchaser that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, in the Vendor's discretion, the Purchaser received credit in the Statement of Adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be released from any and all obligation, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes. In the event the Purchaser neglects to advise the Vendor forthwith upon request as to the Purchaser's selection of finishing specifications, or orders any extras, upgrades in interior finishings, or performs any work in or about the Dwelling which causes delay in the Vendor's construction operations, the Vendor may require the Purchaser to complete this transaction on the Closing herein set out without holdback of any part of the Purchase Price, on the Vendor's undertaking to complete any of the Vendor's outstanding work.
- (h) The Vendor is not responsible for shade difference occurring in the manufacture of items such as, but not limited to, finishing materials or products such as carpet, floor tiles, roof shingles, brick, cement board, aluminum or vinyl siding, bath tubs, water closets, sinks, stone, stucco and other such products where the product manufacturer establishes the standard for such finishes. Nor shall the Vendor be responsible for shade difference in colour of components manufactured from different materials but which components are designed to be assembled into either one product or installed in conjunction with another product such as but not limited to toilet seats, toilets, bathtubs, cabinet finishes and paint and in these circumstances the product as manufactured shall be accepted by the Purchaser. Purchaser acknowledges and agrees that (i) carpeting may be seamed in certain circumstances and said seams may be visible; (ii) hardwood, laminate or other flooring materials may react to normal fluctuating humidity levels contributing to shrinkage and gapping or expansion and cupping, and (iii) there may be different levels of flooring which may require transition strips, nosings or thresholds, and the Purchaser agrees that in any of the foregoing eventualities are considered to be acceptable by industry standards and the Purchaser shall make no claim whatsoever against the Vendor in the event of same.

The Purchaser acknowledges and agrees that attic hatches or access points may be located within any location determined by the Vendor in its sole, absolute, subjective and unfettered discretion, including without limitation, within any hallway, room, closet or interior wall. The location of mechanical installations may not be as shown (or not shown, as the case may be) on sales documentation and will be located in accordance with approved plans and/or good construction practice and may result in room size or garage size reduction caused by the mechanicals being installed. The Purchaser hereby acknowledges being advised by the Vendor that the Vendor has experienced a high rate of theft of air-conditioning units when they are installed prior to the Closing. Accordingly, the Purchaser acknowledges that if the Agreement herein calls for the Vendor to install an air-conditioning unit, the Vendor has the right to install that unit, in accordance with the Agreement, within 7 days after the Closing, weather permitting. The Purchaser shall not be entitled to any holdback on account of the Purchase Price notwithstanding that the air-conditioning unit is not installed at the Closing. Notwithstanding the foregoing, in the event that the Purchaser requires the air-conditioning unit to be installed prior to the Closing, the Purchaser shall make written request therefor, such request to be received not later than 30 days prior to the Closing by way of separate written request addressed to the Vendor's solicitor and the Purchaser acknowledges that the Purchaser shall assume all liability for the air-conditioning unit in the event that it is stolen after its installation prior to the Closing and the Vendor shall not be obliged to replace same nor shall there be any adjustment in the Purchase Price with respect thereto.

- (j) In the case of the purchase of a townhome by the Purchaser (if applicable) the Purchaser acknowledges that: the concept plans displayed in the sales office and/or in promotional brochures or media (including any websites), do not necessarily represent any specific block to be built by the Vendor; the Vendor has not artistically rendered all block scenarios and combinations of model types available; final block plans will feature similar but not necessarily identical architectural details; variances from block to block will reflect, amongst other things, the number of units in respective blocks, final siting combinations of actual model types within respective blocks, roof designs that evolve in conjunction with the combination of various model types constituting specific blocks, unit stepping due to grading within respective blocks and the location of required partywalls and firewalls (if applicable) per respective block plan.

Despite anything hereinbefore set out, the whole of any fence erected by any governmental authority, utility or railway or pursuant to any Development Agreements shall be deemed to be a permitted encroachment and the Purchaser agrees to maintain all such fencing to the satisfaction of the appropriate authority.
- (l) Where a dwelling type has a sunken foyer, landing or hallway leading to a front porch (at the front door entry), the ceiling area below the porch slab and other relevant areas will be reduced and this height may vary up or down, caused by the number of risers from the main floor to the dropped landing, as per applicable plan. Notwithstanding that the sales aids, such as brochure plans or sketches may refer to these areas as cold rooms, storage areas, cantinas or fruit cellars, they shall be treated and referred to as crawl space, notwithstanding that the Purchaser may be desirous of using this space for other purposes. The Purchaser hereby acknowledges these facts and accepts the Dwelling as built and will make no claims whatsoever relevant thereto. Furthermore, any reference to ceiling heights in this Agreement, the schedules attached hereto or in sales material, if any, shall mean the approximate height and such heights will be reduced by sound attenuation features, finishes of floors and ceilings and installations such as bulkheads, etc.. Ceiling and walls may be modified to accommodate mechanical systems.
- (m) In the event that the Dwelling includes mac metal siding or stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be a variance or unevenness of up to one-half of an inch (1/2") in a ten foot (10') span, which the Purchaser agrees to accept, without objection or claim for compensation. In the event that the Dwelling includes mac metal siding or stucco to be installed on the exterior of the Dwelling, the Purchaser acknowledges that there may be variance in the colour of such mac metal siding or stucco and that the Vendor shall choose, in its sole, absolute, subjective and unfettered discretion, the texture of such mac metal siding or stucco and the Purchaser agrees to accept same without objection or claim for compensation]

- (o) The Vendor shall provide evidence that occupancy of the Dwelling is permitted in accordance with and only to the extent required by the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto.
- (p) The Purchaser covenants and agrees that the Purchaser will exhaust all the remedies available to him with Tarion with respect to any claim relating to defects in workmanship or materials or with respect to any other claim arising under the Warranty Act or in respect of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto, prior to pursuing any other means of redress with regard to such claims. In the event the Purchaser does not comply with the provisions of this subsection, or takes any unwarranted or unreasonable actions with respect to such claims, the Purchaser shall be held liable for any damages or costs (legal or otherwise) sustained by the Vendor as a result thereof.
- (q) The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom the Purchaser is in law responsible to any services installed within the Subdivision, which service shall, without limitation, include survey stakes, landscaping, trees, curbs, curb cuts, streets, roads, sidewalks, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities. The amounts so paid by the Vendor shall form and constitute a Vendor's Lien or Charge against the Property.
- (r) Notwithstanding anything contained in this Agreement it is understood and agreed by the parties hereto that in the event that occupancy of the Dwelling cannot be granted on or before the Occupancy Date for any reason other than as a result of the Purchaser's default, the Vendor shall not be responsible or liable to the Purchaser in any way for any damages or costs whatsoever including without limitation loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs, other than the delayed occupancy compensation set out in the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale.

- (t) The Purchaser covenants and agrees that the Purchaser is a "home buyer" within the meaning of the *Construction Act* of Ontario, as may be amended, and the Purchaser shall not be entitled to request or demand that any holdback for construction liens be maintained for any portion of Purchase Price on the Closing Date.
- (u) Note: Actual usable floor space may vary from the stated floor area.

4. RENTAL EQUIPMENT

Unless expressly provided in this Agreement, the hot water boiler, hot water storage tank and related equipment, and any other equipment or included in any schedule attached hereto as rental equipment (the "**Equipment**") for the Dwelling, if any, is not included in the Purchase Price and shall remain chattel property. The Purchaser acknowledges that (i) the Equipment may be non-owned (ii) the terms governing the lease/rental for the Equipment will be provided by the Vendor prior to closing and the Purchaser may be required to execute a lease/rental document containing the terms prior to closing; and (iii) the terms of the lease/rental may contain a buy-out option allowing the Purchaser to purchase the Equipment if desired. If any provider of the Equipment no longer rents the Equipment and if arrangements are not made with another supplier for the installation of the Equipment on a rental basis, then notwithstanding anything to the contrary in this Agreement, the Purchaser shall pay, as an adjustment on closing, the cost of the Equipment, such cost to be determined by the Vendor. The Purchaser acknowledges and agrees that it shall only utilize the hot water boiler and hot water storage tank supplied by the Vendor within and upon the Property and the Purchaser is prohibited from installing or utilizing any other hot water heater/tank, without the Vendor's prior written consent.

5. COMPLETION AND ONTARIO NEW HOME WARRANTIES INSPECTION

- (a) The Purchaser or its designate shall inspect the Dwelling (such inspection hereinafter referred to as the "**PDI**") immediately prior to the Closing Date with a representative of the Vendor at a time appointed by the Vendor and the parties shall indicate on the face of the Warranty Act's Certificate of Completion and Possession and Warranty Certificate (the "**Certificate**"), the approval of the Purchaser, which shall be subject only to the completion of seasonal work, and any items of a similar nature uncompleted, and listed thereon, and save as to such list the Purchaser shall be conclusively deemed to have accepted the Dwelling as complete in accordance with this Agreement. The Purchaser covenants and

agrees that on or before the PDI, the Purchaser has accessed the online Learning Hub and reviewed the relevant materials, including any modules, brochures and/or other materials, on the Tarion website. The Vendor will complete all matters set out in the said Certificate as soon as reasonably practicable. Further, the Vendor agrees to rectify any defects in materials or workmanship covered by the Warranty Act's warranty issued to the Purchaser as soon as reasonably practicable after the same will have been called to the Vendor's attention by notice in writing and in accordance with the guidelines of Tarion. The Purchaser shall provide the Vendor with written notice, at least 5 days prior to the date appointed by the Vendor for the PDI, irrevocably appointing the Purchaser's designate, if any.

- (b) The completion of the foregoing inspection and the preparation and endorsement of the Certificate are conditions of the Vendor's obligation to complete this transaction. Failure by the Purchaser to attend at the appointed time for the inspection and to complete the Certificate shall be deemed to be a default by the Purchaser under this Agreement. The Vendor, at its sole, absolute, subjective and unfettered option, may thereupon either re-schedule the inspection subject to an administrative fee of \$250.00 plus Applicable Taxes payable to the Vendor or terminate the transaction in accordance with the provisions set out herein, or may elect to complete the Certificate on behalf of the Purchaser. The Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead for this purpose.
- (c) The Purchaser agrees to forthwith upon request do all acts and execute and deliver all documents, both before and after Closing, as may be required by the Vendor, the Municipality, the Subdivider and/or other governmental authority in connection with the acceptance of the Subdivision as a whole by the Municipality.
- (d) Keys will be released to the Purchaser at a location determined by the Vendor (which may be the construction site, the Vendor's sales office, the head office of the Vendor or at any other location determined by the Vendor, as the Vendor in its absolute discretion determines), unless otherwise specifically agreed in writing between the Vendor and the Purchaser. The Purchaser agrees that the Vendor's advice that keys are available for release to the Purchaser constitutes a valid tender of keys on the Purchaser. Upon completion of this transaction, if the Purchaser fails to attend to pick up the keys by four thirty (4:30) p.m. on that day, the Vendor may retain the keys and release same to the Purchaser on the next business day (in this Agreement the term "business day" or "business days" shall mean Monday to Friday, excluding statutory holidays in the Province of Ontario).

6. PURCHASER'S RESPONSIBILITY AFTER POSSESSION

7. TITLE

- (a) Provided the title is good and free from all encumbrances except as herein provided, and except as to building and other restrictions, and to any easement or right-of-way granted or to be granted for installation and/or maintenance of services, telecommunication, cable television systems, and all related or appurtenant equipment, mutual driveways, and for maintenance and repair of adjoining dwellings, if applicable. Furthermore, title to the Property may be subject to encroachments by portions of the buildings located on abutting lands, including eaves, eavestroughing, downpipes, or other attachments to the roofs, footings, drainage pipes, utility meters and other projections of the buildings, and the Purchaser further acknowledges that portions of the Dwelling may encroach onto abutting lands where the right to do so exists. The Purchaser accepts legal access to the subject Property even though it may be restricted by 0.3 metre reserves owned by the Municipality and not yet dedicated as public highway. The Purchaser is not to call for the production of any title deeds, abstract or other evidence of title except as are in the possession of the Vendor. The Purchaser is to be allowed 60 days prior to the Closing, to examine the title at the Purchaser's own expense and if, within that time, any valid objection to title is made in writing to the Vendor which the Vendor shall be unable or unwilling to remove and which the Purchaser will not waive this Agreement shall, notwithstanding any intermediate act or negotiations be void and the deposit monies shall be returned, with interest, and the Vendor and the Broker shall not be liable for any damages or costs whatsoever. Save as to any valid objection so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Property. The Purchaser acknowledges and agrees that the Vendor shall be entitled to respond to some or all of the requisitions submitted by the Purchaser through the use of a standard title memorandum or title advice statement prepared by the Vendor's solicitors and that the same shall constitute satisfactory manner of responding to the Purchaser's requisitions. Further, the Purchaser agrees that in the event that any valid requisition is not sufficiently answered by the Vendor, then the requisition shall be deemed sufficiently answered if a title insurance policy, available for issuance to the Purchaser by any company which issues title insurance

policies in Ontario, would insure over the title matter which is being requisitioned.

- (b) The Purchaser agrees to accept the Property subject to Municipal regulations and restrictions now or hereafter affecting the ownership or use of the Property and the Purchaser shall observe and comply with the said regulations and restrictions and with the terms and obligations imposed by the Development Agreements. The Purchaser agrees to accept title to the Property subject to any easements or licences for the installation of the maintenance of public or other utilities including, without limitation, telephone, electricity, gas, sewer, sump pumps, water and cable television, as well as any rights or easements reserved by the Vendor and/or granted in favour of other lands for maintenance purposes, drainage and roof overhangs, downpipes, footings, drainage pipes, sump pumps, utility meters and other projections of the Dwelling, if necessary on or about the Property. The Purchaser shall also accept title to the Property subject to any rights of entry in favour of the Subdivider, the Vendor, the Municipality or any other utility/service provider or public or private governmental authority. The Purchaser shall execute any easements required for the said purposes upon being requested by the Vendor both before or after Closing. The Purchaser acknowledges that the Deed or Transfer of the Property may reserve such rights and easements. In the event the Vendor, the Subdivider, the Municipality or any other governmental authority requires the granting of maintenance and/or private drainage easements which have not been created on or before Closing, the Purchaser shall execute and deliver to the Vendor on Closing an Acknowledgement and Direction authorizing and directing the Vendor to register after Closing any such easements on behalf of the Purchaser. The Purchaser agrees to accept title to the Property subject to any easements, rights of way, licenses, agreements with the Municipality and/or other governmental authority having jurisdiction with respect to future services to be installed, or any other purpose.
- (c) In the event the Property abuts land owned by any government, utility, or railway such authority may require fences, entrance gates or other structures to be located within the Property line and the Purchaser agrees to accept same and agrees to maintain same, if required by such authority.
- (d) The Purchaser acknowledges that title may be conveyed directly from the Subdivider of the lands, and not the Vendor, and the Purchaser hereby releases the Subdivider from all obligation, liability and responsibility whatsoever arising out of or associated with the construction of the Dwelling and installation of all other improvements within the lot boundaries, and the Purchaser agrees to execute and deliver on Closing a separate acknowledgment and release in favour of the Subdivider to this effect.
- (e) In the event any mortgages are outstanding on Closing the discharge of which is the Vendor's obligation, the Purchaser agrees to accept the Vendor's solicitor's undertaking to obtain and register the discharge of the same within a reasonable period of time after Closing in full satisfaction of the Vendor's obligation in that regard.
- (f) If, the lot number or municipal address of the Property is changed, the Purchaser agrees to accept such variation in lot number and municipal address and this Agreement shall be read with all amendments required thereby.
- (g) The Purchaser agrees to accept title to the Property subject to any Certificates of Property Use, Notice of Requirement or other notices or directives of any governmental authority, including, without limitation the Ministry of the Environment, provided that the Vendor or the Property, as the case may be, is in compliance thereof.
- (h) The Purchaser agrees to accept title to the Property subject to any limiting distance agreement with the owner of any neighbouring properties and any municipal authorities.
- (i) The Purchaser covenants and agrees that it shall not, and that it is not permitted, to: (i) direct title or the right of occupancy to any other parties; (ii) add any additional parties to title or the right of occupancy; or (iii) direct or re-direct title to only some of the parties which comprise the Purchaser. The sole purpose of any title direction contemplated herein or in any closing documents shall be for the purposes of confirming the full name(s), date(s) of birth, address for service, social insurance number(s) and such other information as the Vendor may require.
- (j) The Purchaser shall provide the name, address, telephone number and email address of its solicitor to the Vendor not later than the 30th day following the execution of this Agreement. Failure to provide same shall constitute a default pursuant to the terms of this Agreement. If the Purchaser does not provide such information when required hereunder, changes solicitors, or the Purchaser or its solicitor (i) fail to provide any required information; (ii) change or amend any of the information provided, including title information required for engrossing the Vendor's form of occupancy agreement (if required by the Vendor) or the transfer to the Property as required by the preceding paragraph or in respect of the Rebate; or (iii) provide information to the Vendor or its solicitors that is incorrect or amended for any reason, the Purchaser shall be charged a fee as determined by the Vendor plus Applicable Taxes on the Statement of Adjustments.

- (k) The Purchaser covenants and agrees to provide through its solicitor to the Vendor's solicitor, at least 60 days prior to the Occupancy Date, all information required by the Vendor with respect to or evidencing the Purchaser's entitlement to the Rebate (as defined herein). Such information shall include, without limitation, (i) confirmation of which of the parties comprising the Purchaser will be occupying the Property if there is more than 1 party comprising the Purchaser; (ii) if there is more than 1 party comprising the Purchaser, the relationship between the parties; (iii) whether any other person(s) will be occupying the Property together with the Purchaser, including their name(s) and date(s) of birth; and (iv) if the person(s) occupying the Property together with the Purchaser are not the spouse or child of the Purchaser, and the Vendor consents to same, copies of valid identification for such persons (such as a driver's license or passport) acceptable to the Vendor in its sole, absolute, subjective and unfettered discretion. If the Purchaser does not provide the foregoing information at least 60 days prior to the Occupancy Date, or if the Purchaser provides information upon which the Vendor determines that it will not permit the Purchaser to claim and assign the Rebate to the Vendor as part of this transaction, then the Vendor shall prepare all adjustments and closing documents on the basis that the Purchaser will not be claiming and assigning the Rebate to the Vendor as part of this transaction and the amount of the Rebate shall be added to the statement of adjustments and paid by the Purchaser on the Closing Date in addition to the Purchase Price. The Purchaser acknowledges, covenants and agrees that no changes to the information required to be provided herein shall be permitted following the day that is 60 days prior to the Occupancy Date. In addition, once the Purchaser has provided the information required to be provided herein and there are any changes to same, such changes to the information shall entitle the Vendor to elect not to permit the Purchaser to claim and assign the Rebate to the Vendor as part of this transaction. If the Purchaser is prohibited from claiming the Rebate and assigning same to the Vendor as part of this transaction or does not do so for any other reason, or the determination of the Vendor in its sole, absolute, subjective and unfettered discretion is that the Purchaser is not entitled to claim the Rebate, then the Purchaser shall retain the option of pursuing the Rebate or any other similar or related rebates directly from the Canada Revenue Agency following the Closing Date.

8. SUBDIVISION AGREEMENT REQUIREMENTS

- (a) The Purchaser acknowledges and agrees that title may on Closing be subject to one or more Development Agreements and that the Subdivider has agreed at its own expense to construct, install and pay for roads, sanitary sewers, water mains and all other services in accordance with the requirements of the Municipality, which the Vendor herein is not responsible to construct, install or pay for. The Purchaser agrees that the Vendor shall not be obligated on Closing or thereafter to obtain releases of such Development Agreements.
- (b) The Purchaser acknowledges receipt of notice from the Vendor that the Vendor and/or the Subdivider may apply for official plan amendment(s), rezoning application(s), severance application(s), minor variance application(s) and/or site plan application(s), or any other applications ancillary thereto relating to blocks or lots not purchased hereunder as laid down by the Plan of Subdivision or with regard to the lands adjacent to or near the lands laid down by the Plan of Subdivision, and the Purchaser, the Purchaser's successors and assigns, shall consent to any such applications and agrees that this paragraph may be pleaded as a bar to any objection by the Purchaser to such applications. The Purchaser covenants to include this clause in any conveyance, mortgage or disposition of the Property and to assign the benefit of such covenant to the Vendor.
- (c) The Purchaser agrees that the relevant governing authorities and/or the Development Agreements may require the Vendor to provide the Purchaser with certain notices ("**Notices**"), including, without limitation, notices regarding land usage, landscaping, maintenance of fencing, school transportation, noise and vibration warning resulting from existing or proposed highways and public transportation systems or corridors, railways, garbage, buffers, school pick-up, transit routes, bus-stops and/or shelter locations, in some instances the absence of door-to-door mail delivery, the location of "super mailboxes", and in general, any other matter that may be deemed by the Municipality to inhibit the enjoyment by the Purchaser of this Property. Such Notices, when available, may be delivered to the Purchaser in accordance with the notice provisions herein and delivery in accordance with any methods described in said notice provisions shall be deemed to constitute appropriate notification of the Purchaser. The Purchaser agrees to be bound by the contents of any such Notices and covenants to execute forthwith upon request, an acknowledgment containing such Notices if and when requested to do so by the Vendor. In the event any Development Agreements are not registered as of the date of acceptance of this Agreement, and therefore the Notices are not yet available, or if after they are available, they are amended by the Municipality, or are inadvertently omitted or misquoted by the Vendor and if the Municipality requires the Purchaser to receive a copy of the Notices, then a copy of the Notices as revised as necessary, shall be mailed or emailed to the Purchaser's address as provided for in this Agreement or to the Purchaser's solicitor and such mailing or emailing shall be deemed to constitute appropriate notification. Without limiting the generality of the foregoing, to the extent that any Notices are provided to the Purchaser by the Vendor after this Agreement has been made, such Notices shall be deemed to have been included in this Agreement at the time that this Agreement has been

made. The Purchaser acknowledges and agrees that any Notices and warning clauses may be registered on title to the Property, at the sole, absolute, subjective and unfettered discretion of the Vendor. Purchasers/occupants are advised that despite the inclusion of noise control features in this Project, the Subdivision and/or within dwellings, noise levels from increasing road traffic from nearby roadways may be of concern occasionally interfering with some activities of the dwelling occupants.

- (d) In addition to anything herein, the Purchaser agrees to accept title to the Property subject to the restrictions contained at Schedule "R" appended hereto, as may be altered or added-to from time to time.

9. AFTER CLOSING

- (a) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any additions and/or improvements such as, but not limited to, porches, patios, plantings, paved driveways, pools or hot tubs, curbs or fences which are located within 6 feet of an external wall or within any area which interfere with the Vendor or Subdivider installing any required services and/or performing any works pursuant to the Development Agreements, the Purchaser will remove such addition and/or improvements within 5 business days of written request from the Vendor and prior to the Vendor taking any corrective actions which it is required to take.
- (b) In the event that after taking possession of the Dwelling, the Purchaser shall complete and/or install any improvements, additions or alterations thereto, including, but not limited to, finishing basement, wallpapering, cabinetry and/or mouldings and/or finishings, porch tiles or finishes, pools or hot tubs the Purchaser shall be required to remove such improvements, additions or alterations at the Purchaser's own expense, in the event that the Vendor shall be required to carry out any repairs or replacements to the Property in the area of such improvements, additions or alterations.
- (c) The Purchaser acknowledges that grading and sodding and landscape plantings (if any) shall be done between June and October (weather permitting and subject to availability of supplies) of any year as per the Vendor's scheduling program. The Purchaser agrees that the Purchaser shall be solely responsible for watering and general maintenance of sod and landscape plantings (if any) from the Occupancy Date or from the date that sod is laid (or landscape plantings are planted), whichever shall be the later, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod (or other landscape plantings, if any), the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor. Further, the Purchaser acknowledges that the order of closing of the Property and/or the order of completion or closing of other lots sold by the Vendor is not indicative of the order of sodding (or landscaping planting) of the Property and said other lots. If the Vendor is required by the Subdivider or any governmental authority to replace any laid sod or landscape plantings, etc. as a result of the Purchaser's default under this subsection, the Purchaser shall promptly pay the Vendor for same and the Vendor shall not be obliged to replace same until payment has been made therefore in full to the Vendor by the Purchaser. The Vendor shall not be required to supply the Purchaser with evidence of payment for the replacement of same. The aforementioned obligations of the Purchaser shall survive the closing of the herein transaction.
- (d) The Purchaser covenants to occupy the Dwelling forthwith after Closing. The Purchaser agrees not to finish the whole or any part of the basement of the Dwelling for a period of 24 months after the Closing or such longer period which is equivalent to the warranty period under the Warranty Act for basement repairs. The Purchaser hereby releases the Vendor from any liability whatsoever in respect of water damage to basement improvements and chattels stored in basement resulting from water seepage or leakage, including any consequential damages arising therefrom.
- (e) The Purchaser acknowledges that the Vendor has a master key for the Project and in the event that the Purchaser wishes to change any locks, the Purchaser may do so, at the Purchaser's own expense, any time after Closing.
- (f) If settlement occurs due to soil disturbances around the Dwelling, the walkways, driveways and sodded areas, all minor settlements shall be the responsibility of the Purchaser, and the Vendor will rectify any major settlement once only, and such work, unless of an emergency nature, will be completed when reasonably feasible and according to the Vendor's work program and availability of materials and tradesmen's services. The Vendor is not responsible for any damage to the Dwelling which the Vendor considers of a minor nature by reason of such settlement.
- (g) No request by the Purchaser for homeowner service will be processed by the Vendor unless such request is in writing through Tarion's submission requirements, other than emergency service, such as no heat, water or electricity. In the event the Vendor is requested by the Purchaser to perform a homeowner service call for repairs relating to

construction or work performed by the Vendor and the Vendor determines in its sole, absolute, subjective and unfettered discretion that such repair is required due to any negligent act or omission either through the neglect or omission of the Purchaser, the Purchaser shall pay to the Vendor the sum of \$350.00 per homeowner service call, plus the cost of all materials utilized by the Vendor in making such repair, plus Applicable Taxes thereon.

- (h) The Purchaser agrees that after Closing, if required by the Municipality or any public or private utility such as the local electric authority, gas company, telecommunication or television system provider he will grant an easement for the installation and maintenance of sewers, water mains, lines or any other similar installations.
- (i) The Purchaser agrees that the Purchaser will not, for a period of at least two (2) years from the Closing Date or assumption of the Subdivision by the Municipality, whichever is the later, plant any trees, shrubs, vines, hedges or other landscaping on the Property without the express written consent of the Vendor which consent may be withheld in the Vendor's sole, absolute, subjective and unfettered discretion. The Vendor shall have the right during such period to enter on the Property, without notice to the Purchaser, and to remove, without any liability whatsoever, any such trees, shrubs, vines, hedges or other landscaping planted on the Property in contravention of this Section without such act being a trespass.
- (j) If, after Closing, the Property is sold before the assumption of the Subdivision by the Municipality, the Purchaser must attach this Agreement (and all schedules hereto) to the sales agreement and make the new purchaser responsible for all the terms and provisions of this Agreement to be complied with by the Purchaser hereunder.
- (k) Appliances purchased by the Purchaser from the Vendor (or which may be included in the Purchase Price) may not include installation charges which may be charged by the Vendor on the Closing Date as an adjustment at the Vendor's sole, absolute, subjective and unfettered discretion.
- (l) The Purchaser agrees that until all the lots or blocks in the Subdivision are sold, the Vendor shall have the exclusive rights to maintain model homes, signs, sales staff and marketing material(s) in the Subdivision and to show prospective purchasers through the Subdivision and through any unsold homes.

10. PROHIBITION ON SELLING, ASSIGNING, LEASING, LISTING ETC.

- (a) The Purchaser covenants not to offer for sale, lease and/or transfer the Property, nor to sell, lease, assign or transfer the Purchaser's interest under this Agreement (or in the Property), nor to advertise, list, allow or cause to be advertised or listed for sale, lease, assignment or otherwise the Property or an interest under this Agreement on a listing service or sales service including, without limitation, the Multiple Listing Service ("MLS") or on, by or through any other publication or medium, including without limitation, any form of social media or through any website or application, until after acquisition of title to the Property on the Closing Date and the Vendor having received payment of all of the Purchase Price. The Purchaser acknowledges and agrees that once a breach of any of the preceding covenant occurs, such breach is (or shall be) incapable of rectification, and accordingly the Purchaser acknowledges and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement (and the occupancy of the Property), if applicable effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply.
- (b) The Purchaser represents to the Vendor (upon which representation the Vendor has relied in accepting the Purchaser's offer) that the Purchaser is purchasing the Property for the Purchaser's own personal use and not for investment, short term and/or speculative purposes.
- (c) The Purchaser covenants and agrees that it shall not place or allow to be placed any "for sale", "for lease" or "for rent" signs within the Dwelling that are visible from the exterior thereof or upon any portion of the Property or lands adjacent thereto until the later of: (a) the closing of the herein transaction and (b) until all of the dwellings in the Subdivision have been sold, which occurrence shall be determined by the Vendor in its sole, absolute, subjective and unfettered discretion. In the event that the Purchaser places or allows to be placed any such signs in contravention of the aforementioned, the Vendor shall have the absolute right to enter onto the Property and remove such sign without such act being an act trespass and the Vendor shall not be liable to the Purchaser for such removal, either in contract, tort or otherwise. The aforementioned covenant of the Purchaser and right of the Vendor shall survive the closing of the herein transaction.

11. ENTRY WITHOUT CONSENT / UNLAWFUL WORKS

- (a) Except for the purposes of conducting the inspection with the Vendor's representative

described at Section 5(a), the Purchaser shall not enter (and shall not direct or cause anyone to enter) the Property and/or the Dwelling without the prior written consent of the Vendor (which may be withheld in the Vendor's sole, absolute, subjective and unfettered discretion) and if such consent is granted, may be conditioned by the Vendor in accordance with such conditions as the Vendor may determine in its sole, absolute, subjective and unfettered discretion) until the Purchaser has completed the Purchaser's obligations under this Agreement on the Occupancy Date (as such term is defined in the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale). In respect of any entry with the Vendor's prior written consent, the Purchaser agrees to comply with all regulations under applicable legislation (including without limitation, the *Occupational Health & Safety Act*) and shall wear head and foot protection and such other safety apparel as designated by the Vendor.

- (b) In the event that the Purchaser (or a person representing or acting on behalf of the Purchaser), without the consent in writing of the Vendor, enters upon the Property prior to the Purchaser having completed the Purchaser's obligations under this Agreement on the Occupancy Date, such breach is (or shall be) incapable of rectification, and accordingly the Purchaser acknowledges and agrees that in the event of such breach, the Vendor shall have the unilateral right and option of terminating this Agreement (and the occupancy of the Property) effective upon delivery of notice of termination to the Purchaser or the Purchaser's solicitor, whereupon the provisions of this Agreement dealing with the consequence of termination by reason of the Purchaser's default, shall apply. Further, such entry shall be considered a trespass by the Purchaser and will entitle the Vendor to bring criminal or civil proceedings for such trespass against the Purchaser.
- (c) Further, in the event that the Purchaser (or a person representing or acting on behalf of the Purchaser) enters upon the Property prior to the Purchaser having completed the Purchaser's obligations under this Agreement on the Occupancy Date without the consent in writing of the Vendor and carries out changes or additions to the Dwelling (the "**Unlawful Works**"), the Purchaser will forthwith pay to the Vendor the amount incurred by it in order to correct any damages caused by the installation or existence of the Unlawful Works including, without limiting the generality of the foregoing, time lost by the resulting delays and interest on monies invested. In addition to the foregoing, if the Unlawful Works shall be determined by any inspector having jurisdiction in that regard as not complying with the statutes, by-laws or regulations applying thereto, the Purchaser shall forthwith carry out any required work to remedy any such non-compliance and failing which, the Vendor, at its option may carry out such work at the expense of the Purchaser which he shall pay to the Vendor forthwith upon written request for payment for same. **Should the Vendor, in its sole, absolute, subjective and unfettered discretion, allow the Purchaser to close the purchase of the transaction described herein despite the performance of the Unlawful Works, the Purchaser acknowledges and agrees that the unlawful works shall not be covered under the Warranty Act's warranties and that anything constructed by the Vendor which is not accessible due to the Unlawful Works shall not be covered under the Warranty Act's warranties.**
- (d) In the event that Unlawful Works are performed and the Vendor terminates this Agreement pursuant to Section 11(b), the Vendor shall be entitled to retain ownership of the Unlawful Works (and the value thereof) and the Purchaser disclaims and interest or ownership therein.
- (e) The Purchaser hereby indemnifies and saves harmless the Vendor, its servants and agents, successors and assigns, from all actions, causes of action, claims and demands whatsoever for, upon or by reason of any damage, loss or injury to any person or property arising from the Purchaser's (or any person accompanying the Purchaser, or any person representing or acting on behalf of the Purchaser, or any person for whom the Purchaser is responsible is responsible at law) entry onto the Property or any part of the Project prior to the Occupancy Date, whether such entry is with or without the written consent of the Vendor.
- (f) The Purchaser covenants and agrees that the Vendor will not contract for the supply and installation of extras to the Dwelling to be constructed other than by way of written contract on a specific form supplied by the Vendor for that purpose.

12. **CONTRACT**

The deposit monies are expressly deemed to be deposit monies only, and not partial payments.

Subject to any other rights of the Vendor to terminate this Agreement contained herein, if any (a) monetary default by the Purchaser occurs under this Agreement; or (b) any non-monetary default by the Purchaser occurs under this Agreement and such non-monetary default continues for 5 days after written notice thereof is given to the Purchaser or the Purchaser's solicitor, then the Vendor may retain all monies paid as liquidated damages without prejudice to any other rights of the Vendor and the Vendor may thereupon terminate this Agreement.

Without prejudice to the Vendor's rights as to forfeiture of deposit monies as aforesaid, and in addition

thereto, the Vendor shall have the right to recover from the Purchaser any monies owing to the Vendor pursuant to this Agreement and not paid to the Vendor in accordance with the terms hereof and/or all additional costs, losses and damages arising out of default on the part of the Purchaser pursuant to any provision contained in this Agreement, including interest thereon from the date of demand for payment at the rate of 24% per annum, calculated daily, not in advance, until paid. In the event this Agreement, in future, is amended in order to accelerate the Closing of the transaction or to change or alter the construction specifications of the Dwelling by giving the Purchaser a credit or reduction against the Purchase Price and the Purchaser fails to complete the transaction, all damages shall be assessed as if such amendment was not entered into. In the event any one or more of the provisions of this Agreement or any portion or portions thereof are invalid or unenforceable, the same shall be deemed to be deleted herefrom and shall not be deemed to affect the enforceability or validity of the balance of this Agreement. The Purchaser, if required by the Vendor, shall execute and deliver on Closing one or more covenants incorporating the terms hereof. There is no representation, warranty, collateral Agreement or condition affecting this Agreement or the Property, or supported hereby, except as set forth herein in writing. In the event there is a conflict between any term(s) in this Agreement, the Vendor shall determine which conflicting term(s) prevail(s). The Purchaser acknowledges and agrees that the covenants and obligations of the Vendor contained in this Agreement shall be those of the Vendor only and should the Vendor represent or act as trustee or agent on behalf of a beneficiary or principal (whether disclosed or undisclosed) in executing this Agreement, such beneficiary or principal shall have no liability under this Agreement, such liability being restricted to the Vendor only. All buildings and equipment shall be and remain at the Vendor's risk until Closing. In the event of any damage to the Dwelling, however caused, the Vendor shall be entitled to the insurance proceeds payable under any insurance policy coverage on the Dwelling. Deed to be prepared at Vendor's expense, and shall be executed by the Purchaser if required by the Vendor and shall be registered forthwith on Closing at the Purchaser's expense. The Purchaser shall pay the Vendor's solicitor's fees in the amount of \$500.00 (plus Applicable Taxes and disbursements) for each letter or other form of notice sent to the Purchaser or the Purchaser's solicitor relating to any default by the Purchaser.

13. COLOUR AND MATERIAL SELECTION

- (a) Wherever in this Agreement the Purchaser has the right to choose colours or materials, he shall do so within 10 days after notification by the Vendor and the Purchaser shall make the Purchaser's selection of such colours and/or materials, whatever the case may be, from the Vendor's samples. In the event the Purchaser fails to choose colours or materials within the aforementioned time period, the Vendor shall have the option of choosing the colours and materials and the Purchaser shall be obligated to accept same. The Purchaser shall conduct its choice of colours and materials in the manner set out by the Vendor in its sole, absolute, subjective and unfettered discretion, including without limitation, by electronic mail, by mail, by videocall/video conference, by phone call, through a website, through an electronic portal, through a computer or phone application and/or by way of personal attendance at specific location, all at a time designated by the Vendor in its sole, absolute, subjective and unfettered discretion. The Vendor is not responsible for any errors in the selection of features, finishes, colours and materials arising from any limitations and/or restrictions in the methods, media, systems and/or technologies used to make such selections. The Purchaser acknowledges that any delay in making selections and/or reselections may prejudice the Vendor's construction schedule and the Purchaser covenants and agrees to reimburse the Vendor for any costs incurred by the Vendor arising from any adverse impacts to the Vendor's construction schedule caused by the Purchaser.
- (b) If an appointment for the choosing of colours or materials for the Dwelling is made and is subsequently cancelled by the Purchaser or its representative on less than 48 hours' written notice is subject to a cancellation fee of \$250.00 (plus Applicable Taxes) payable to the Vendor upon demand.
- (c) In the event that the Purchaser shall have made a choice of colours and/or materials from either the Vendor's samples or otherwise as aforesaid and because of lack of supply or other reasons the installation of such colour choice and material cannot be completed in accordance with the Vendor's construction schedule, the Purchaser shall choose alternate colours and materials within 7 days of notification by the Vendor and in the event the Purchaser fails to make an alternate selection as aforesaid, the Vendor shall have the option of choosing the colours and materials and the Purchaser shall be obligated to accept same.
- (d) In the event that by the Closing Date the installation of the selected colours and upgraded materials to be performed by the Vendor or its subtrade(s) has not been completed, and as a result thereof the Dwelling has not been completed, then the Purchaser shall, notwithstanding such incomplete work, complete the transaction on the Closing Date and shall pay the full amount required to be paid on Closing in accordance with this Agreement, notwithstanding that an occupancy permit may not be available as a result thereof.
- (e) In the event that the Purchaser has installed or has requested the Vendor to install a different floor covering than that which the Vendor would normally install in the dwelling, then the Purchaser agrees that if any defects should come to light for which the Vendor is normally responsible and repairs to which require the removal of the said floor covering, the Vendor will not be responsible to effect such repairs. For purposes of this Agreement "floor covering" shall mean any type of finished floor covering which is normally placed on

the sub-floor and without limiting the generality of the foregoing, shall include tile, hardwood, marble, terrazzo and carpet.

- (f) Where omissions occur on a colour selection sheet, the Purchaser acknowledges that selection by the Vendor will be final.
- (g) Unpaid upgrades listed on a standard colour chart will not be deemed to be part of the Agreement and if installed, the Purchaser shall pay for said upgrades upon the demand to the Vendor.
- (h) The Purchaser agrees that if after having made the original colour and material selections the Purchaser does make a change to same, erroneously or otherwise, the Purchaser will be deemed responsible for all errors resulting from any such selections. The Purchaser further acknowledges and agrees that any changes to any of the original colour and material selections shall be subject to the express written approval of the Vendor, which approval may be refused in the Vendor's sole, absolute, subjective and unfettered discretion. Any such changes shall also be subject to a \$500.00 administration fee, plus Applicable Taxes, payable by the Purchaser upon demand by the Vendor. The Purchaser acknowledges that all electrical, and mechanical rough-in changes will not be permitted unless processed and approved by Vendor 90 days prior to excavation of the Dwelling.
- (i) The Purchaser further agrees that in the event that the Vendor has preselected colours and materials prior to the purchase herein of the Property, said colours and materials shall be final notwithstanding that the Purchaser may have completed a colour selection/chart.
- (j) In the event that any of the terms and conditions stated on a contract, addendum or schedule requesting upgrades or extras, if any, (the "**Purchaser's Extras Contract**") are in conflict or contradiction of any terms or conditions stated in this Agreement, it is hereby agreed that the terms and conditions stated on the Purchaser's Extras Contract shall take precedence over the terms and conditions of this Agreement provided such provisions do not conflict with the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto, in which case the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto shall be read to form part of the Purchaser's Extras Contract in the place and stead of the conflicting or contradictory provisions thereof. without limiting the foregoing, the Vendor and Purchaser agree that the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto shall prevail over any provision contained in this agreement, in any amendment to this agreement or in any other document between the Vendor and Purchaser in relation hereto that derogates from, conflicts with or is inconsistent with the provisions of the Statement of Critical Dates and Addendum to Agreement of Purchase and Sale annexed hereto.

14. MODEL HOMES

- (a) The Purchaser acknowledges that the Purchaser has purchased the Dwelling on the basis of plans appended to this Agreement and not from a model, vignette or sales office samples. The Purchaser acknowledges that the model homes, if any, may have items installed for decor purposes, such as, but not limited to, upgraded flooring materials, ceramic tile, hardwood, carpet, paint, kitchen cabinets, countertops, lighting and fixtures, driveways, walkways, railings and pickets, skylights, entry doors, interior doors, paneling, wallpaper, window treatment, drapes, curtains, plumbing supplies, intercom systems, alarm systems, appliances, landscaping, underground sprinkler systems, underground lighting, decks and finished basements. The Purchaser acknowledges and agrees that these decor items will not be included in the Purchase Price and that the contract will consist of only those items listed on Schedule "A".
- (b) Notwithstanding anything herein written, if at the time that this Agreement is executed, the dwelling constructed on the Property has already been substantially completed, the Purchaser shall purchase the Property in an "as built" condition rather than in accordance with any other representations herein contained.
- (c) Furthermore, in the event that the Dwelling has been used as a model or show home, the Purchaser acknowledges that the subject premises has been used extensively as a "Model" or "Show" home, and as such, has been subjected to the normal wear and tear associated with that purpose. Unless otherwise specifically agreed in writing, no refinishing shall be done by the Vendor on the subject premises and the Purchaser agrees to accept the dwelling on closing on an "as-is" basis. For the purposes of clarity only, and without restricting the generality of the foregoing, the Purchaser hereby waives any claim in respect of scratched floors, counters or plumbing fixtures; or, sun-faded paint and stain colours.

15. HST CLAUSE

The Purchaser and Vendor agree that the harmonized sales tax (the "**HST**") applies to this transaction and the Purchase Price includes the HST, net of the federal and Ontario new housing rebates or the like (collectively the "**Rebate**"). The Purchaser shall assign in a form required by the Vendor and/or by any of

the Government of Canada, Government of Ontario and/or any other governmental and/or tax authority (collectively, the "**Government**") to the Vendor (or to such other party as the Vendor may otherwise require or direct) all of the Purchaser's right, title and interest in the Rebate to which the Purchaser is entitled. In connection with such assignment, the Purchaser shall deliver to the Vendor (or to such other party as the Vendor may otherwise require or direct), forthwith upon request by the Vendor, prior to, on or after the Closing Date, such application, documents and affidavits as may be required by the Vendor and/or the Government to establish the Purchaser's entitlement to the Rebate. If the Purchaser is not entitled to the Rebate for any reason whatsoever or if the Rebate is reduced or withdrawn by the Government and not replaced with an amount equivalent to the amount of the Rebate to which the Purchaser is entitled by the Government or if the Rebate is not or cannot be assigned to the Vendor (or to such other party as the Vendor may otherwise require or direct) or the Rebate is claimed and payment/credit of the Rebate to the Vendor (or to such other party as the Vendor may otherwise require or direct) is denied by the Government or if, following the Closing Date, the Vendor (or such other party identified by the Vendor) believes that the Purchaser does not qualify for the Rebate for whatever reason, including, without limitation, the Property being offered, listed or advertised for sale, lease or transfer privately or otherwise on a listing service system or on, by or through any other publication or medium, then, the Purchaser shall forthwith upon demand by the Vendor pay to the Vendor (or to such other party as the Vendor may otherwise require or direct) an amount equal to the Rebate or the amount so reduced or withdrawn and until so paid, the amount of the Rebate shall form a charge against the Property which charge shall be recoverable by the Vendor (or by such other party identified by the Vendor) in the same manner as a mortgage in default. If the Vendor (or such other party identified by the Vendor) does not receive the full benefit of the Rebate for any reason whatsoever, whether or not as a result of the Purchaser's acts or omissions, the Purchaser shall indemnify and save the Vendor (or such other party identified by the Vendor) harmless in the amount that the Vendor (or such other party identified by the Vendor) would have been entitled to had such Rebate been received, together with all interest and penalties thereon, and all losses, costs, damages and liabilities which the Vendor (or such other party identified by the Vendor) may suffer, incur or be charged with in connection therewith, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or to such other party as the Vendor may otherwise require or direct), or as a result of the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor (or to such other party as the Vendor may have otherwise required or directed), which indemnity shall survive the Closing Date. Notwithstanding anything herein contained to the contrary, the Vendor shall have the right to register a Vendor's Lien for the amount of the Rebate against the Property immediately following the Closing Date to secure the Vendor's entitlement (or the entitlement of such other party as may be identified by the Vendor) to the Rebate as herein provided. The Purchaser acknowledges and agrees that the Purchaser shall not be entitled to any refund, credit or abatement in any manner whatsoever should the HST, or any portion thereof, not apply to this transaction for any reason whatsoever. The HST that is included in the Purchase Price is based on the federal portion and the provincial portion of the HST at the rates of 5% and 8%, respectively. If either or both of the rates increase, the Purchaser shall be responsible for the increase and shall pay same as an adjustment on the Closing Date, and if either or both of the rates decrease, the Purchaser shall not be entitled to any abatement or reduction of the Purchase Price. Notwithstanding that the Purchase Price is inclusive of the HST net of the Rebate as aforesaid, the Purchaser, shall, at the Purchaser's own cost and expense, be responsible for the payment of the HST and all other taxes, value added taxes, sales taxes, use taxes or transfer taxes and any increases thereof which may be applicable (collectively the "**Applicable Taxes**") on all closing adjustments and amounts payable for extras, changes, upgrades, fees and charges.

If the Vendor (or such other party identified by the Vendor) believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's (or such other party identified by the Vendor) belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date, then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque (or such other manner as may be determined by the Vendor in its sole, absolute, subjective and unfettered discretion) delivered on the Closing Date, an amount equivalent to the Rebate, in addition to the Purchase Price. In those circumstances where the Purchaser maintains that the Purchaser is eligible for the Rebate despite the Vendor's (or such other party identified by the Vendor) belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to file the rebate form directly with (and pursue the procurement of the Rebate directly from) the Canada Revenue Agency.

The Purchaser acknowledges and agrees for any matter related to HST that is applicable to this transaction, including without limiting the generality of the foregoing, the Rebate, that the Vendor may designate another person (including any party in which the Vendor is acting as the disclosed or undisclosed agent for when it entered into this Agreement of Purchase and Sale) to be listed as a party to the HST documentation and the Purchaser agrees to execute such HST documentation notwithstanding that a party other than the Vendor may be the recipient, addressee or beneficiary of the Rebate. Where the Vendor determines that such HST documentation is incomplete, incorrect or insufficient for the Rebate to be claimed, the Purchaser, without limiting the generality of Section 30 hereby irrevocably nominates, constitutes and appoints the Vendor (and any other party as may be directed by the Vendor) as its duly authorized attorney, agent and representative to amend, correct and complete, as applicable, such HST documentation including the Rebate form.

Regardless of whether or not the Purchaser is a registrant under the *Excise Tax Act*, the Purchaser shall not be entitled to self-assess the HST payable in respect of this transaction.

16. AGREEMENT CONDITIONAL

This Agreement and the transaction arising therefrom are conditional upon compliance with the subdivision control provisions of the *Planning Act* of Ontario, and amendments thereto, at the Vendor's expense.

17. AGREEMENT NOT TO BE REGISTERED

The Purchaser acknowledges this Agreement confers a personal right only and not any interest in the Property and that the registration against title of any notice or caution or other reference to this Agreement or the Purchaser's interest is likely to cause inconvenience and prejudice or irreparable harm to the Vendor and other purchasers of dwellings within the Project and/or Subdivision. If any such registration occurs, the Vendor may terminate this Agreement forthwith and take full forfeiture of the Purchaser's deposits as liquidated damages and not as a penalty. Further, the Purchaser hereby irrevocably consents to a court order removing such registration and agrees to pay all Vendor's costs and expenses in obtaining such court order including, but not limited to, fees of its solicitors on a full indemnity basis together with any Applicable Taxes thereon. Additionally, the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead, without liability or claim, for the purpose of removing any such registration from title.

18. TENDER

Any tender of documents or money may be made by the Vendor upon the Purchaser hereto or upon the respective solicitor, will be deemed to be good and valid if made in accordance with the provisions of paragraph herein headed "ELECTRONIC REGISTRATION". The Vendor shall not be required to register any discharge of any outstanding mortgage, charge or other encumbrance not being assumed by the Purchaser on the Closing Date, in order to validate or perfect the Vendor's tender upon the Purchaser, and need only make arrangements to discharge same in accordance with the provisions of paragraph headed "TITLE" herein in the event that the Purchaser completes this transaction. The parties agree that payment of monies must be made or tendered in such form and by such method as may be directed in writing by the Vendor, in its sole, absolute, subjective and unfettered discretion. Unless otherwise directed, in accordance with the foregoing, payment shall be made by way of the Purchaser's solicitor's certified cheque drawn on a Schedule "1" Canadian Chartered bank. The Purchaser further acknowledges and agrees that the Vendor shall not be required to provide any key(s) as part of any tender made by it and that this Agreement provides for the release of keys following the Closing.

Notwithstanding anything contained herein to the contrary, in the event the Purchaser or the Purchaser's solicitor advise the Vendor or the Vendor's solicitors, on or before the Closing Date that the Purchaser is unable or unwilling to complete the purchase of the Property or take occupancy of same, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or the Purchaser's solicitor and the Purchaser may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.

19. EXTENSION, TERMINATION ETC.

- (a) Forthwith upon any termination of this Agreement the Purchaser shall execute and deliver to the Vendor the form of Mutual Release and Termination Agreement that may be required by the Vendor and/or Tarion in the circumstances of such termination.
- (b) In the event the Purchaser requests an extension to the Firm Closing Date or Delayed Closing Date, as the case may be, the Purchaser shall pay the Vendor's solicitor's fees and disbursements (plus Applicable Taxes and disbursements) with respect to such requests and any extensions.

20. AGREEMENT NOT TO MERGE WITH TRANSFER

All of the covenants, warranties and obligations contained in this Agreement to be performed by the Purchaser shall survive the closing of this transaction and shall remain in full force and effect notwithstanding the transfer of title to the Property to the Purchaser. It is provided that in the event of a breach of any covenant, warranty or obligation contained in this Agreement to be performed by the Purchaser, the Vendor shall be entitled, at its option, to declare this Agreement terminated and to retain all amounts paid by the Purchaser without prejudice to any other rights of the Vendor arising from that breach.

21. WAIVER

No provision of this Agreement may be waived by either party except in writing. The waiver of any of the provisions hereunder shall not affect the right of either party to enforce all other provisions not so waived.

The Purchaser acknowledges and agrees that in the event that the Vendor has entered this Agreement as a trustee or agent for and on behalf of an undisclosed beneficiary or principal, whether or not so stated herein, there shall be no liability on such undisclosed beneficiary or principal and the only recourse or remedy that the Purchaser shall have on default by the Vendor herein is against the Vendor and the Property, the Purchaser hereby waiving any rights of recovery or recourse against such beneficiary or principal whether in law, equity or otherwise.

22. SUBORDINATION AND ASSIGNMENT OF AGREEMENT

The Purchaser agrees that this Agreement shall be subordinate to and postponed to any mortgages arranged or to be arranged by the Vendor and any advances thereunder from time to time, and to any easement, service agreement and other similar agreements made by the Vendor concerning the property or lands. The Purchaser agrees to do all acts necessary and execute and deliver all necessary documents as may be reasonably required by the Vendor from time to time to give effect to this undertaking and in this regard the Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as the Purchaser's lawful attorney in the Purchaser's name, place and stead for the purpose of signing all documents and doing all things necessary to implement this provision.

At any time prior to the Closing Date, the Vendor shall be permitted to assign this Agreement to any party registered as a Vendor pursuant to the Warranty Act, and upon notification of assumption of this Agreement and such assignment to the Purchaser, the Vendor shall be automatically released from all obligations arising pursuant to this Agreement and the assignee shall continue from the date of such assignment as the Vendor as if it had been the original party to this Agreement. Further, the Vendor may assign this Agreement and its covenants and obligations herein to any lender. As it relates to an assignment of this Agreement to a lender as aforesaid the lender's liability shall be limited as provided for in the assignment.

23. ACCEPTANCE

The Purchaser's offer to purchase the Property, as set out in this Agreement, when accepted by the Vendor, shall constitute a binding agreement of purchase and sale without requiring notice of such acceptance to be delivered to the Purchaser prior to such time. Without limiting the generality of the foregoing, acceptance of this offer (or any counter offer with respect thereto) may be made by way of telefax transmission, pdf electronic mail or similar electronic transmission, reproducing the original, provided all of the necessary signatures and initials of both parties hereto are duly reflected on (or represented by) the telefaxed, emailed or electronic copy of the Agreement are so transmitted, and such offer and/or acceptance shall be deemed to have been effected or made when the Agreement is telefaxed, emailed or sent electronically to the intended party, and the parties irrevocably acknowledge and agree that such telefaxed, emailed or electronic transmission of the Agreement shall be binding upon the parties to the same extent as if originally signed.

24. TIME OF ESSENCE

Time shall in all respects be strictly of the essence of this Agreement and no extension of time for any payment by the Purchaser or rectification of any breach of any agreement, stipulations, condition or restriction shall operate as a waiver of this provision with respect to any other payment or rectification of any other breach, except as specifically agreed upon in writing by the Vendor or the Purchaser, as the case may be.

25. PREPARATION AND COST OF REGISTERING DOCUMENTS

The Transfer is to be prepared by the Vendor on the Vendor's standard form. If required by the Vendor, the deed may contain covenants on the part of the Purchaser to comply with the stipulations set out herein, and is to be executed by the Purchaser. Any discharges of underlying mortgages (collectively, the "**Discharges**") shall be prepared by the Vendor on the Vendor's standard form; the Discharges to be at the expense of the Purchaser, being a fee of \$350.00 plus Applicable Taxes in total, irrespective of the number of Discharges required. The Purchaser shall pay the cost for registration and any exigible taxes on the registration of the Transfer and Discharges. The Purchaser agrees to provide a statutory declaration on or before closing confirming that there are no judgments outstanding against him and the Purchaser agrees to provide reasonable evidence confirming same, including a creditor's letter if necessary, if requested by the Vendor, if there is any judgment filed against a person with the same or similar name. That statutory declaration shall also include the birth date and social insurance number of the Purchaser. 1. Critical Dates

The **First Tentative Occupancy Date**, which is the date that the Vendor anticipates the home will be completed and ready to move in, is:

the ___ day of _____, 20__.

A **Second Tentative Occupancy Date** can subsequently be set by the Vendor by giving proper written notice at least 90 days before the First Tentative Occupancy Date. The Second Tentative Occupancy Date can be up to 120 days after the First Tentative Occupancy Date, and so could be as late as:

the ___ day of _____, 20__.

The Vendor must set a **Firm Occupancy Date** by giving proper written notice at least 90 days before the Second Tentative Occupancy Date. The Firm Occupancy Date can be up to 120 days after the Second Tentative Occupancy Date, and so could be as late as:

the ___ day of _____, 20__.

If the Vendor cannot provide Occupancy by the Firm Occupancy Date, then the Purchaser is entitled to delayed occupancy compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Occupancy Date.

The Vendor can set a Delayed Occupancy Date that is up to 365 days after the earlier of the Second Tentative Occupancy Date and the Firm Occupancy Date: This **Outside Occupancy Date** could be as late as:

the ___ day of _____, 20__.

2. Notice Period for an Occupancy Delay

Changing an Occupancy date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Occupancy twice by up to 120 days each time by setting a Second Tentative Occupancy Date and then a Firm Occupancy Date in accordance with section 1 of the Addendum and no later than the Outside Occupancy Date.

Notice of a delay beyond the First Tentative Occupancy Date must be given no later than:

the ___ day of _____, 20__.

(i.e., at least **90 days** before the First Tentative Occupancy Date), or else the First Tentative Occupancy Date automatically becomes the Firm Occupancy Date.

Notice of a second delay in Occupancy must be given no later than:

the ___ day of _____, 20__.

(i.e., at least **90 days** before the Second Tentative Occupancy Date), or else the Second Tentative Occupancy Date becomes the Firm Occupancy Date.

3. Purchaser's Termination Period

If the home is not complete by the Outside Occupancy Date, then the Purchaser can terminate the transaction during a period of **30 days** thereafter (the "**Purchaser's Termination Period**"), which period, unless extended by mutual agreement, will end on:

the ___ day of _____, 20__.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed occupancy compensation and to a full refund of all monies paid plus interest (see sections 7, 11 and 12 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

Acknowledged this ___ day of _____, 20__.

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Occupancy Dates and the Firm Occupancy Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home subject to all prescribed requirements, to provide Occupancy of the home without delay, and, to register without delay the declaration and description for the related common elements condominium corporation.
- (b) **First Tentative Occupancy Date:** The Vendor shall identify the First Tentative Occupancy Date in the Statement of Critical Dates attached to this Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Occupancy Date:** The Vendor may choose to set a Second Tentative Occupancy Date that is no later than 120 days after the First Tentative Occupancy Date. The Vendor shall give written notice of the Second Tentative Occupancy Date to the Purchaser at least 90 days before the First Tentative Occupancy Date, or else the First Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date.
- (d) **Firm Occupancy Date:** The Vendor shall set a Firm Occupancy Date, which can be no later than 120 days after the Second Tentative Occupancy Date or, if a Second Tentative Occupancy Date is not set, no later than 120 days after the First Tentative Occupancy Date. If the Vendor elects not to set a Second Tentative Occupancy Date, the Vendor shall give written notice of the Firm Occupancy Date to the Purchaser at least 90 days before the First Tentative Occupancy Date, or else the First Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date. If the Vendor elects to set a Second Tentative Occupancy Date, the Vendor shall give written notice of the Firm Occupancy Date to the Purchaser at least 90 days before the Second Tentative Occupancy Date, or else the Second Tentative Occupancy Date shall for all purposes be the Firm Occupancy Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Occupancy Date – Three Ways

- (a) The Firm Occupancy Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Occupancy Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Occupancy Date is set in accordance with section 4 or 5, then the new date is the “Firm Occupancy Date” for all purposes in this Addendum.

3. Changing the Firm Occupancy Date – By Setting a Delayed Occupancy Date

- (a) If the Vendor cannot provide Occupancy on the Firm Occupancy Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Occupancy Date in accordance with this section, and delayed occupancy compensation is payable in accordance with section 7.
- (b) The Delayed Occupancy Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Occupancy Date but not later than the Outside Occupancy Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Occupancy Date as soon as the Vendor knows that it will be unable to provide Occupancy on the Firm Occupancy Date, and in any event at least 10 days before the Firm Occupancy Date, failing which delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date, in accordance with paragraph 7(c). If notice of a new Delayed Occupancy Date is not given by the Vendor, before the Firm Occupancy Date, then the new Delayed Occupancy Date shall be deemed to be the date which is 90 days after the Firm Occupancy Date.
- (d) After the Delayed Occupancy Date is set, if the Vendor cannot provide Occupancy on the Delayed Occupancy Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Occupancy Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Occupancy Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 11.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical Dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser. For greater certainty, this Addendum does not restrict any extensions of the Closing date (i.e., title transfer date) where Occupancy of the home has already been given to the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;

**Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)**

- (iii) the Purchaser acknowledges that the amendment may affect delayed occupancy compensation payable; and
- (iv) if the change involves extending either the Firm Occupancy Date or the Delayed Occupancy Date, then the amending agreement shall:
 - i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed occupancy compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed occupancy compensation payable by the Vendor for the period up to the new Firm Occupancy Date or Delayed Occupancy Date.

If the Purchaser for his or her own purposes requests a change of the Firm Occupancy Date or the Delayed Occupancy Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Occupancy Date or Delayed Occupancy Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Occupancy Date or Delayed Occupancy Date, as the case may be. Delayed occupancy compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed occupancy compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Occupancy Date or Delayed Occupancy Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Occupancy Date or Delayed Occupancy Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed occupancy compensation payable under section 7 is payable from the existing Firm Occupancy Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. Yes No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Limited Use Freehold Form
(Tentative Occupancy Date – POTL/CEC)

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20 _____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20 _____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Occupancy Date, and will be deemed to be 90 days before the First Tentative Occupancy Date if no date is specified or if the date specified is later than 90 days before the First Tentative Occupancy Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act* and, if applicable, registration of a related common elements condominium corporation under the *Condominium Act, 1998*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Occupancy Compensation

- (a) The Vendor warrants to the Purchaser that, if Occupancy is delayed beyond the Firm Occupancy Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the Occupancy Date; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed occupancy compensation is payable only if: (i) Occupancy and Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 11(b) of this Addendum. Delayed occupancy compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Occupancy, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Occupancy Date to the Purchaser less than 10 days before the Firm Occupancy Date, contrary to the requirements of paragraph 3(c), then delayed occupancy compensation is payable from the date that is 10 days before the Firm Occupancy Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed occupancy compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed occupancy compensation in connection with a claim.
- (e) If delayed occupancy compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Occupancy or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed occupancy compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed occupancy compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delayed occupancy compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Occupancy. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 11(b), in which case, the deadline for a claim is one (1) year after termination.
- (g) If delayed occupancy compensation is payable, the Vendor shall either: pay the compensation as soon as the proper amount is determined; or pay such amount with interest (at the prescribed rate as specified in subsection 19(1) of O.Reg. 48/01 of the *Condominium Act, 1998*), from the Occupancy Date to the date of Closing, such amount to be an adjustment to the balance due on the day of Closing.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

9. Occupancy

If the Purchaser accepts or is required to accept Occupancy in advance of receiving a title transfer of the home, then the provisions of Schedule C shall apply.

10. Ontario Building Code – Conditions of Occupancy

- (a) On or before the Occupancy Date, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or

Limited Use Freehold Form (Tentative Occupancy Date – POTL/CEC)

- (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and Occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for Occupancy under the Building Code, (the “Purchaser Occupancy Obligations”):
 - (i) the Purchaser shall not be entitled to delayed occupancy compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for Occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Occupancy, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the Occupancy Date.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Occupancy Date (or new Delayed Occupancy Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Occupancy Date (or new Delayed Occupancy Date), the Vendor shall comply with the requirements of section 3, and delayed occupancy compensation shall be payable in accordance with section 7. Despite the foregoing, delayed occupancy compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an “Occupancy Permit” means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

11. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Occupancy has not been given to the Purchaser by the Outside Occupancy Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Occupancy Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Occupancy Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Occupancy is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6 or Schedule C.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor’s delay in providing Occupancy alone.

12. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 11(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser’s monies shall be calculated in accordance with the *Condominium Act, 1998*.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

Warranty Information for New Homes in Parcel of Tied Land

This information sheet provides a basic overview of the warranties and protections that come with your home on a freehold parcel of tied land which is legally tied to a Common Elements Condominium Corporation. Typically, occupancy of the home is provided before the closing of the sale of the land. This warranty is provided to you **by your builder** and backed by Tarion.

For more detailed information, please visit tarion.com and log into our online learning hub at <https://www.tarion.com/homeowners/homeowner-resources-hub>

The Pre-Delivery Inspection (PDI)

Before you take occupancy of your unit, your builder is required to conduct a pre-delivery inspection, (PDI) with you or someone you designate to act on your behalf. If you wish, you may be accompanied by someone who can provide expert assistance. The PDI is important because it is an opportunity to learn about how to operate and maintain parts of your unit, such as the ventilation and heating systems. It is also important because it gives you an opportunity to note items in your unit that are damaged, missing, incomplete, or not working properly before you take occupancy. This record is also very important as it may help show what items may have been damaged before you moved in and helps resolve any disputes relating to whether or not an item of damage was caused by your occupancy and use.

The PDI is only one piece of evidence relating to damaged or incomplete items, and you should take note and document (e.g. via photos or video) any concerns or damaged items as soon as you notice them after taking occupancy if they were missed during the PDI. If they are not addressed by your builder, you can include them in your 30-Day Form to Tarion. Damaged items are covered under the warranty if the damage was caused by the builder or their trades.

There is more information about the PDI here:

<https://www.tarion.com/homeowners/homeowner-resources-hub>

Deposit Protection

The deposit you provide to your builder is protected up to certain limits if your builder goes bankrupt, fundamentally breaches your Agreement of Purchase and Sale or you exercise your

right to terminate it. Deposit coverage limits are \$60,000 if the purchase price is \$600,000 or less and 10% of purchase price to a maximum of \$100,000 if the purchase price is over \$600,000. This protection includes the money you put down towards upgrades and other extras.

Delayed Occupancy Coverage

Your builder guarantees that your unit will be ready for you to move in by a date specified in the purchase agreement or a date that has been properly extended (if for certain reasons the original occupancy date cannot be met). You may be able to claim up to \$7,500 from your builder in compensation if they do not meet the conditions for an allowable extension that are outlined in the Addendum to your Agreement of Purchase and Sale.

Warranty Coverage

The warranty on work and materials commences on your date of possession and provides up to a maximum of \$400,000 in coverage. There are limitations on scope and duration as follows. Your builder warrants that your home will, on delivery, have these warranties:

One-Year Warranty

- Your home is constructed in a workmanlike manner, free from defects in material, is fit for habitation and complies with Ontario's Building Code
- Protects against unauthorized substitution of items specified in the Agreement of Purchase and Sale or selected by you

Two-Year Warranty

- Protects against water penetration through the basement or foundation walls, windows, and the building envelope
- Covers defects in work or materials in the electrical, plumbing, and heating delivery and distribution systems
- Covers defects in work or materials that result in the detachment, displacement, or deterioration of exterior cladding (such as brick work, aluminum, or vinyl siding)
- Protects against Ontario's Building Code violations that affect health and safety

Seven-Year Warranty

- Protects against defects in work or materials that affect a structural load-bearing element of the home resulting in structural failure or that materially and adversely compromise the structural integrity; and/or that materially and adversely affect the use of a significant portion of the home.

Warranty Exclusions

Your warranty, provided to you by your builder and backed by Tarion, is a limited warranty, and the protection provided by Tarion is also limited. Exclusions to coverage include: normal wear and tear, damage caused by improper maintenance, damage caused by a third party, secondary damage caused by defects that are under warranty, supplementary warranties, deficiencies caused by homeowner actions, elevators, HVAC appliances, specific defects accepted in writing and damage resulting from an Act of God.

Common Elements Not Covered

There is no Common Element warranty coverage on Common Element Condominium Corporations under the Ontario New Home Warranties Plan Act and Regulations. As a purchaser, you should take note of the common elements associated with your home, as maintenance and repair of these items may be the responsibility of the homeowners in the project, subject to the corporation's declaration. This may include shared facilities, walkways, roadways and services (e.g. water and sewage lines, garbage removal and snow removal).

Construction Performance Guidelines

The Construction Performance Guidelines are a resource to provide advance guidance as to how Tarion may decide disputes between homeowners and builders regarding defects in work or materials. The Construction Performance Guidelines are intended to complement Ontario's Building Code. They are supplemented by any applicable guidelines or standards produced by industry associations. They do not replace manufacturer warranties. The Construction Performance Guidelines are available in several different formats accessible via <https://tarion.com/builders/construction-performance-guidelines>
